¹Map records were counted by format. Figures include all records in the map format (dt="map"). Note that the survey includes atlases; there is no way to separate these out. The figures in this table were generated in searches performed on July 18 2005, July 14 2006, July 16, 2007, July 15 2008, July 18 2009, July 15 2010, July 14 2011, July 17 2012, July 15 2013, July 15 2014, and July 15 2015. Data using keyword searches for 2001, 2002, 2003, and 2004 are also available but are suppressed from this table.
