The library is introducing a new search engine, Lens, which helps discover connections and find resources on a topic. Lens searches not only the Library catalog but also resources such as archive and manuscript finding aids, electronic reference sources, selected tables of contents and book reviews, and the Library website.

Lens is available at: <http://lens.lib.uchicago.edu>

Feedback is also welcome: <http://www.lib.uchicago.edu/e/lens/feedback.html>
