**WE WILL TAKE YOU OFF YOUR FEET**  
in connection with these tours of a Century  
of Progress.

Time and money saving consideration has been  
combined with comfort to make your visit most  
enjoyable.

There are four tours to select from, make your  
choice known to any Daggett Roller Chair Guide  
and you will be promptly taken to all the points of  
interest included.

The combined tours afford complete coverage of  
A Century of Progress in a manner allowing the  
utmost in appreciation and comfort to you.

Each tour has been so planned that it can be  
completed within from three to six hours depend-  
ing upon the interest of the patron. The rate, per  
person, using the chair service is one dollar per  
hour. Though concessions are included in these  
hours it is optional to patron whether or not a stop  
will be made and the cost of such entertainment is  
not included in the chair rate, but must be con-  
sidered as extra.

Our guides are thoroughly schooled on all points  
of interest, entirely familiar with all exhibits and  
their location and are continually advised on all  
special daily events.

Try one of these tours by chair and we are confident  
the immense satisfaction to you will result in your  
requesting the remaining three in the same manner.
