

denumeration

The Meaning of the Word

~~Criss~~ ~~Sum~~ ~~Ra~~

In the same way that a number is expressed by a name
A book can be expressed by a man

Because a book can be expressed by a name

That is the name of a book is the summation of the book

And the name of a man is the summation of a man

Because the name is the man.

Thus as the book is of the summated name,

A summated man can become a book.

This is according to the theory

And actuality of another kind of mathematics...

The Cosmic abstract principle of multi-reality.

The Immaculate Version

The scheme of things is the dream of things

The imagination's thought of things

The idea: the Conception: The Version

The mystery of things is the immaculate version

(The hidden things & therefore the unconquered things

Of the idea: the uncovered secrets of the version)

The secrets of the virgin

In the Phonetic version of the mystery: the mystery of

Things is the immaculate version: the conception of

The immaculate: the untouched: the immaculate version

The mystery of things: the version: the conception: the idea
The imagination's thought of things is the dream of things: that is the
