What new research do you have in progress or in planning?

Do you need information on prior art relating to a patent problem?

Are you trying to iron out some shop problem?

Are you taking full advantage of what others have published in the technical or trade journals?

Perhaps you lack the personnel or the library facilities to exploit this source of information

The John Crerar Library has one of the outstanding collections on science, technology and medicine in the world

Crerar's research information service is staffed by men who can appreciate your problem because they are subject specialists and have had industrial research experience. Foreign languages pose no problem; Continental languages including Russian are represented

Make the JOHN CRERAR LIBRARY your *private* library with the spotlight centered on YOUR needs. RESEARCH INFORMATION SERVICE can do your library research
