for you to come along with me. I have got a place
and thought that I would like to offer it to you. I have written
to you twice & you have not written back so I am sending this.
I think you will like it. It is a large place, and
is not very far from the city. The house is very large and
is also much quiet so you will have plenty of space to do
what you like. You will be very happy there
and I hope you will be satisfied with your new home.
I am sending you some photographs of the place
so you can see what it looks like. I hope you will like it.
