*Note: The text seems to be a historical document, possibly a legal or ecclesiastical record, written in Latin. The table format suggests a structured list with names and possibly numerical data or dates.*
The said Nicholas hath by the present demand and agreement made and entered this present lease of September 1557. And also all that he rent and called mark with the appurtenances thereunto adjoining and also all that he rent and called mark with the appurtenances thereunto adjoining and also all that he rent and called mark with the appurtenances thereunto adjoining. And also all that he rent and called mark with the appurtenances thereunto adjoining.

And also all that he rent and called mark with the appurtenances thereunto adjoining and also all that he rent and called mark with the appurtenances thereunto adjoining. And also all that he rent and called mark with the appurtenances thereunto adjoining and also all that he rent and called mark with the appurtenances thereunto adjoining.
And furthermore Nicholas to the said Thomas did covenant and agree that it shall be lawful for the said Thomas to enter into and remain in the premises that he has had and enjoyed before and that he shall be entitled to enter into and remain in the premises that he has had and enjoyed before.
