

Walsham: The Customs of the Town of Walsham as
touching our Berbage & Tythes which have
been tyme out of any man byt.

First our custom of our pastured ground is to pay a
ponny an Acre that we doe mow for the food of our cattell

And also for the food of our gast wards that serueth
only for the food of the vicar is also to pay a ponny an Acre

Also Lattage for our milke that is two pence a cow
except it be a farrow cow & then but three half pence

Also a Bullock of the first Calfe is a ponny half ponny

And if a man have ten Calfs he must pay one for the
Tythe and if he have but seven he must pay one for the
Tythe and the parson must allow him three half pence
And if he have but six Calves he must pay for every
Calf a half ponny.

Also for our Sheep in his maunde if a man have
ten Lambs he must pay one for the Tythe and also if
he have but seven Lambs he must pay one for the
Tythe and the parson must allow him three half pence
and if a man have but six Lambs he must pay one
half ponny for every Lamb.

And if a man doe rear up or keep hedes for milke
he shal pay no Tythe for them.

And if a man have ten Piggs he must pay one for
the Tythe and if he have but seven he must pay one
for the Tythe and the parson must allow him three
half pence And if he have vnder seven he must pay
for every Pigg an half ponny.

The ²Headed Customs of
Walsingham relating to
Tithes,

This came from the ¹Proctor
~~revised~~

And if a man have ten young geese he must pay
one for the tythe and if he have but seven he must pay
one for the tythe and the ^{rest} you must allow him three
farthings and if he have under seven he must pay
for every young goose and farthing.

Also we must pay for every dozen two Eggs & one Duck
the like for the cock two & the Drake two.

Also for every Orchard two pence.

The Tythe in the Mickle Meadow have been accustomed
to be paid by the Rod as well on the south pt as on the
north pt except certain pcedes the same w^{ch} have been
accustomedly paid for every Acre: iii^d.

Also we have paid for and in Consideration of Tythe
Wood for every Hart the out penny.

Also our custom is for our four Ditches between pty
& pty and by the High Weares side throughout the Towne
to make them three foot wide from the set or spring
& further are allowed half a foot for the bot or sole.
