This is a handwritten document with a large number of words and lines written in a traditional script. The text appears to be a legal or official document, possibly related to land rights or surveying. Due to the handwriting style and the layout, a precise transcription is challenging. However, the document seems to describe boundaries, properties, and possibly legal agreements or transactions involving land. The text is dense and requires careful reading to understand the specifics of the content.
Also it is to be made sure that the nettle is not sold or given away to anyone other than the persons named in the agreement. All persons involved in the agreement are to be bound by the terms and conditions as specified in the agreement. Any breach of the agreement will result in legal action. The agreement is to be witnessed by [witness's name].

Also it is to be noted that all works done to the field must be declared in the agreement. Any deviation from the agreement will result in legal action. The agreement is to be witnessed by [witness's name].

Also it is to be noted that all persons involved in the agreement are to be bound by the terms and conditions as specified in the agreement. Any breach of the agreement will result in legal action. The agreement is to be witnessed by [witness's name].
