

3 to payed for a well & diggings
wells.

to make a well
in y^e cellar next the
court yard. with
to stop y^e hall chimney
and carry the chimney
away from the floor under it.

- Remembrances of things to be done about the
gatehouse at Drury house.
- 1 A wall to close in a little court yard all saving y^e
opening of y^e coachhouse door ^{2^d as already paid} pryce 5
 - 2 The setting up a coach house, of all the best stuff
a little house of ^{office} four square, and a wood or
coal house to range to the same breadth 20
 - 3 The making y^e vault to y^e house of office 30⁶
 - 4 The setting up y^e pump of lead, to y^e well, w^{ch} is already
payed for, all saving y^e pump 3 10⁶
 - 5 The setting a payse of winding staires, Downe into y^e yard
tyled about wth a halfe payse, and close all y^e way down
wth a studded wall and lyme and lime 2
 - 6 To make a portall like y^e Edward Cicles, and a window
under it, wth crooked yerned barnds, well paynted
wth oyle colours, and my carnes sett about at things 10⁶
 - 7 Stepps Downe, at y^e corner of y^e hall, into y^e oute
room for y^e pantry 8
 - 8 To see all y^e walls well comed, and cast over wth
morter, and afterwards, y^e hall and y^e kitchen
and y^e end of y^e old house, lathed and plastered
at my cost, measure y^e yards and wryte to me y^e cost
and some parte of y^e middle loftes next y^e yard.
 - 9 To have all y^e windows, lyke y^e John Brooks gallery
and y^e windows also to have wenscott windows wth
knigolls, in my owne bed chamber, measure y^e yards
and wryte to me, what Ray will come to, at 8⁶ the
yard, that there be also wenscott, w^{ch} to the Ann
nes in the ^{two} chambers, w^{ch} to y^e staires, that there be few
Jundry workmen appointed, that all this may be done with speed 10⁶
