To my Lord, I send you a true farm enclosed directed to Sir Ambrose Sydney, and I beg you send it to my lord your father. Then if it can be obtained for the benefit of your farm, and let you know that it
returned to you or otherwise. I am directed to you for the benefit of your farm. By a messenger of mine, you shall let it be directed, so it be not known it came from your farm. Command me to you,
and to get more. God bless the whole kingdom from my comfort. Be the beginning of the year of our Lord 1572
