BEGINNING with the 1950 volume the index has been shortened, but will still contain references to all the important items.

The section "Gifts, From" has been omitted, but gifts continue to be listed under the name of the donor. The phrase formerly used "Gift for support of the University" is shortened to "Gift."

If the gift was for a specific purpose that purpose is listed in the index. The volumes before 1950 included a separate list of names of all individuals mentioned. This list has been discontinued as the names are all included in the index. "Me" and "Mac" are listed together as though spelled "Mac," as is the custom in large libraries. Many cross references are included to aid the reader in finding the material wanted.

Pages listing gifts are under name of subject as: Biological Sciences, gifts for; Cancer research, gifts; Divinity School, gifts for; etc.

Under the name of a Trustee are listed all the committees on which the man served during the year.

The regular January meeting of the Board of Trustees was held in the Board Room, Administration Building, 999 Ellis Avenue, on Thursday, January 12, 1950, at 3:30 P.M.

There were present: Mr. Bell, in the chair, Messrs. Aldis, Anderson, Benton, Blair, Brown, Donnelly, Eaton, Goodman, Hall, Hitchins, McConnell, Peeples, Quinlivan, Shaver, Smith, Sterne, Pulcher, Salley, Tenney, Wilson, and Zimmerman, also, McNear, Colwell, Cunningham, Husco, Fillmore, Hall, Harrell, Harrison, Moore, and Williams.

Prayer was offered by Mr. Sherer.

The minutes of the last regular meeting of the Board of Trustees held on November 10, 1949, previously sent to all members of the Board, were presented for approval.

It was moved and seconded to approve the minutes of the meeting on November 10, 1949, including the record of all actions taken, and, a vote having been taken, the motion was declared adopted.

The minutes of the meetings of the Budget Committee held October 26, 1949, November 14, 1949, November 28, 1949, and December 12, 1949, and of the Investment Committee held November 21, 1949, copies of the minutes having been previously sent to all members of the Board, were presented for approval.

It was moved and seconded to approve the minutes as presented, and, a vote having been taken, the motion was declared adopted.

The Chairman called attention to the fact that Heward H. Moore, the newly appointed Secretary of the Board of Trustees, was acting as Secretary of the meeting.

The Chairman nominated the following Trustees for membership in the Budget Committee in Class I, term expiring in July, 1951:

- Walter P. Peeples
- Graham Aldis
- Cayford Donnelly (Alternate)

It was moved and seconded to appoint the three nominated Trustees, as named above, to the Budget Committee, and, a vote having been taken, the motion was declared adopted.

Upon the adjournment of the Chairman,

It was moved and seconded that N. McNearick Blair be appointed to the Chairmanship of the Investment Committee, and, a vote having been taken, the motion was declared adopted.
The Chairman nominated the following Trustees for membership in the Investment Committee: Henry F. Tenney, Joseph D. Beaven (Alternate).

It was moved and seconded to appoint the two nominated Trustees, as named above, to the Investment Committee, and, a vote having been taken, the motion was declared adopted.

The Chairman nominated the following Trustees for membership in a Visiting Committee to visit the Law School: Henry F. Tenney, James H. Douglas, Jr., and Laird Dell.

It was moved and seconded to designate the members of the Committee to visit the law school, as nominated by the Chairman, and, a vote having been taken, the motion was declared adopted.

The Chairman designated Henry F. Tenney as Chairman of the Committee.

Mr. William Benton reported briefly on the affairs of Encyclopaedia Britannica, and Encyclopaedia Britannica Films.

The Secretary of the Board submitted the following report:

I regret to report the following deaths:

Paul S. Russell, a member of the Board of Trustees, died on January 8, 1950, at Chicago. Mr. Russell was elected a member of the Board of Trustees of the University of Chicago on December 14, 1933, and served until his death.

Dr. Preston Kyes, Professor Emeritus of Preventive Medicine, died on December 27, 1949. Dr. Kyes served as a member of the faculty of the University from 1924 until his retirement in 1940.

Charles Henry Benson, Professor Emeritus of Latin, died on December 30, 1949. Mr. Benson served as a member of the faculty of the University from 1906 until his retirement in 1936.

Arthur C. Lunn, Professor Emeritus of Applied Mathematics died on December 12, 1949. Mr. Lunn served as a member of the faculty of the University from 1902 until his retirement in 1942.

Samuel I. Feigin, Assistant Professor of Judaic Studies, died on January 3, 1950. Mr. Feigin served as a member of the faculty from 1937 until his death.
January 30, 1950

Harry A. Bigelow, Professor Emeritus of Law and former Dean of the Law School, died on January 29, 1950. Mr. Bigelow served as a member of the faculty from 1904 until his retirement in 1937.

The report was received and ordered placed on file.

The Chairman spoke of the irreparable loss the Board had sustained in the death of Mr. Russell, and stated that Mr. Douglas had been requested to prepare a memorial to Mr. Russell for presentation at the next meeting of the Board.

The Counsellor reported that the Alfred P. Sloan Foundation, which has contributed $96,000 a year to the support of the Round Table during the past twelve years is terminating its gift at this time. It was pointed out that it is contrary to the policy of the Foundation to make grants for longer than three years, and its continued support of the Round Table for so many years was most gratifying.

It was moved and seconded to adopt the following resolution:

The Board of Trustees of The University of Chicago hereby thanks Mr. Alfred P. Sloan, Jr., Chairman of the Board of Directors of the General Motors Corporation, and the Alfred P. Sloan Foundation for the generous support of The University of Chicago Round Table. Mr. Sloan's generosity in giving six hundred thousand dollars to The University of Chicago in the past twelve years has made it possible to bring the world's outstanding scholars together on the Round Table to discuss and to clarify important issues of public policy in these decisive years for the American people.

This constant support of the Round Table for the past six hundred years has been given with nobility and freedom by Mr. Sloan. The typical foundation policies of granting only short-term support for projects has been recognized by Mr. Sloan as inappropriate to the necessities of radio where the service and significance of a program for a radio audience can be established only over a long period of time. Mr. Sloan has furnished the nation with a notable example of how the necessary financial support for free discussion can be given without hindering in any way a university's freedom to choose and freely to convey the thoughts and opinions of the nation's scholars and leaders to the American public.
Where freedom of expression exists, the beginnings of free society and the means for its extension of liberty are already present. Free expression promotes and protects all the rest of our liberties. Therefore, free and intelligent discussion never goes out of date and never loses its importance.

The Trustees of The University of Chicago pay tribute to the fact that the Alfred P. Sloan Foundation has acted upon and supported the belief that informed public discussion is a necessary condition of a free society.

With the aid of the Alfred P. Sloan Foundation's generous support, the Round Table has come to occupy a unique position in American radio. The University of Chicago Round Table has created an example of what educational radio can be; and the Round Table program is now copied throughout the nation. On February fifth, this year, the Round Table begins its twentieth year of service to the American people.

Now, therefore, be it resolved that the Board of Trustees of The University of Chicago expresses its gratitude for the significant service to educational broadcasting made by the Alfred P. Sloan Foundation and by Mr. Alfred P. Sloan, Jr., by long-time support of the Round Table.

Be it further resolved that a copy of this resolution be spread on the minutes of the Board of Trustees and that this resolution be presented to Mr. Alfred P. Sloan, Jr., and to the Alfred P. Sloan Foundation;

and, a vote having been taken, the motion was declared adopted.

The Chancellor presented the following recommendation:

At the annual meeting of the Board of Trustees of The Country Home for Convalescent Children on December 2, 1949, it was voted to recommend to the Board of Trustees of the University the appointment of the following persons as members of the Board of Managers of the Country Home, to hold office for one year or until their respective successors are appointed and qualified:
§5 - Board of Trustees
January 12, 1952

Avery, Mrs. Scoll | Hiller, Mrs. G. Phillip
Baker, Mr. Robert R. | Hone, Mrs. Charles H.
Broome, Mrs. Aldis J. | Thedster, Mrs. Dallas H.
Gshuren, Mrs. Arthur M. | Devell, Mrs. Alexander H., Jr.
DeColyer, Mrs. Laurence | Beaver, Mrs. Albert B.
Harris, Mrs. Lilian I. | Billis, Mrs. Clarence W.
Linda, Mrs. Lloyd E. | Snow, Mrs. J. Sheehan
Minn, Mrs. W. Scott | Strong, Mrs. Walter
McNair, Frank | Woodward, Frederic

It was moved and seconded to approve the recommendation as presented, and, a vote having been taken, the motion was declared adopted.

Mr. Sull reported informally relative to the contributions made by members of the Board of Trustees to the Administration Building Fund.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs presented the following recommendation:

Under the General Non Profit Corporation Act of the State of Illinois it is necessary that corporations organized under such Act designate a Registered Office and Registered Agent for service of process and file a certificate of such designation with the Secretary of State.

Under action previously taken by this Board the Registered Office of this corporation was designated at 122 South Michigan Avenue, Chicago 3, Illinois, and Lyman R. Leech was designated as Registered Agent. Mr. Leech has left the service of the University and a new Registered Agent must be designated. The address of the Registered Office and the Registered Agent must be identical. It is thought that the Registered Office of the University probably should be changed to 5051 Ellis Avenue, and that Howard M. Moore should be designated as Registered Agent.

It is strongly recommended that the following resolution be adopted appointing a New Registered Office and a New Registered Agent:

BE IT RESOLVED, that the Board of Trustees of the University of Chicago, a corporation non-profit organized under the laws of the State of Illinois, do hereby designate 5051 Ellis Avenue, Chicago 37, Illinois, as the registered office of this corporation, and hereby appoint Howard M. Moore, whose office is identical with such registered office, as the registered agent of this corporation, for all purposes provided for in the General Non Profit Corporation Act of the State of Illinois, effective January 1, 1952.
BE IT FURTHER RESOLVED, that a verified certificate of the foregoing designations be executed and delivered to the Secretary of the State of Illinois as required by said Act.

It was moved and seconded to adopt the foregoing resolution and, a vote having been taken, the motion was declared adopted.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs submitted the following report:

I desire to report that the Will of Lessing Rosenthal, who died in Chicago on December 20, 1949, contains a bequest to The University of Chicago of executor's books and manuscripts and the sum of Fifteen Thousand Dollars ($15,000.00). The University is not to receive the library or the money until after the death of the widow, Lillie F. Rosenthal, however such part of the library as the widow may elect not to retain, may be turned over to the University during her lifetime. Mr. Rosenthal was an avid book collector for many years and his library is said to contain numerous rare and valuable books. The funds received by the University are to be held as endowment and the income therefrom is to be used for such University purposes or purposes as the Board of Trustees of the University may from time to time determine. There is no record of Mr. Rosenthal ever having been a student at the University.

The report was received and ordered placed on file.

On behalf of the Chancellor, the Vice-President in Charge of Development presented the following recommendation:

It is recommended that the following contributions and grants of $25 or more, made or pledged since the last meeting of the Board, be accepted: (Gifts and pledged money reported to the Board at this meeting aggregate $40,944.25 in the revised December docket and $153,962.38 in the January docket, a total of $194,906.64)

(The detailed contributions and grants were forwarded to all members of the Board and a copy of the revised December docket and the January docket has been attached to the official copy of the minutes of this meeting.)
$12,000 to augment the University Loan and Gift Fund, and to be used for two-year honor scholarships in the College.

5,000 for the renewal of the research project "The Amino Acid and Vitamin Needs during Pregnancy" under the supervision of Mrs. Thelma Porter in the Department of Home Economics.

It was moved and seconded that the recommendation as presented be approved, and, a vote having been taken, the motion was declared adopted.

The Vice-President in Charge of Development submitted the following report:

It is with sincere regret that we report the death of the following members of the Citizens Board: Dr. Charles T. B. Goodspeed and H. Leising, Esq.,

A meeting of the Citizens Board was held at the Chicago Club on Friday, December 16, 1949. Dr. J. Carrott Allen addressed the Board on "Colloidal Biology in Medicine."

On January 10 a formal dinner for members of the Citizens Board and their wives was held in the Crystal Ballroom of the Blackstone Hotel. The program consisted of a presentation on the origin of the earth with Messrs. Tiy, Brown, Kulp, and von Weizsäcker.

The report was received and ordered placed on file.

The reports were received and ordered placed on file.

The Vice-President in Charge of Development reported on the recently obtained confidential results of the Medical College Admissions Test in which the ratings, denoting average performance of students from The University of Chicago ranked first among the 365 schools represented.

A summary report by the Comptroller of new appointments and changes in appointments of the academic and non-academic staff was received and ordered placed on file.

Copies of the summary were distributed to all members present at the meeting.

The Comptroller submitted the following reports:

The Chairman reported that a proposed amendment of the By-Laws had been under consideration, and gave notice (in accordance with the provisions of Article V, Section 7, of the By-Laws of the University) of the intention to amend the By-Laws at the next regular meeting of the Board relating to the organization under the Vice-President in Charge of Business Affairs.
The Chairman of the Special Committee on the Trustees Dinner presented the following report:

The thirtieth annual dinner of the Board of Trustees for the members of the faculties last evening, January 22, at the South Shore Country Club was attended by about 770 guests. Twenty-three active and one honorary Trustee were present. 200 meals were served.

As usual there were many expressions of appreciation by faculty people over their pleasure at being invited to this traditional annual event. The Board members are indebted to Mr. Minzmann for the fine manner in which he spoke on their behalf. Compliments are due Mr. Sims Carter and his staff for the efficient manner in which the affair was handled.

It is recommended that a letter be addressed to the officers and directors of the South Shore Country Club expressing the thanks of this Board for having had the privilege of using the Club's facilities for our 1950 dinner.

It was moved and seconded that the Secretary be instructed to express the thanks of the Board as recommended, and, a vote having been taken, the motion was declared adopted.

The Chairman of the Committee on Nominations made an informal report on behalf of his Committee.

Adjourned at 5 P.M.

Secretary

* Effective Date: Jan 3, 1950

* For period of appointment.
Pursuant to notice, the regular February meeting of the Board of Trustees was held at the Board Room, 122 South Michigan Avenue, on Thursday, February 9, 1950, at 2 P.M.

There were present: Mr. Bell, in the chair, Neer, Aldis, Axelson, Weaver, Chair, Brush, Donnelly, Douglas, Hall, McNutt, Pangche, Salt, Silverberg, Swift, Ross, Ulmer, and Zimmerman, also, Neer, Cahall, Cunningham, Daniels, Hall, Harrell, Harison, and Moore.

Prayer was offered by Mr. Axelson.

The minutes of the last regular meeting of the Board of Trustees held on January 12, 1950, copies of the minutes having been previously sent to all members of the Board, were approved.

The minutes of the meetings of the Budget Committee held on December 28, 1949, and January 23, 1950, copies of the minutes having been previously sent to all members of the Board, were approved.

On nomination of the Chairman,

Mr. Douglas was appointed to membership in the Visiting Committee on the Library, and was designated by the Chairman as Chairman of the Committee.

On motion of the Chairman,

Mr. Randall was appointed to membership in the Visiting Committee on Medical and Biological Research.

Mr. Axelson was designated by the Chairman as Chairman of the Special Committee on Retiring Alliances.

Mr. Pangche was designated by the Chairman as Vice-Chairman of the Committee on Accounting.

The Chairman reported as a matter of interest, that the Budget Committee at its meeting held February 6, 1950, approved the recommendation of the University's representatives on the Board of Directors of Encyclopaedia Britannica, that the royalty agreement between the Company and the University relating to the present products of the Company, be interpreted to mean that the Company is expected to make payments to the University on installment accounts when these accounts have been collected in full; the Company agreeing in consideration thereof to hold its debenture issues to the University to the $1,000,000 minimum.
Instead of exercising its option to issue debentures up to $1,200,000, a second recommendation, relating to the royalty agreement between the Company and the University with respect to the proposed publication of the Great Books, involved long range considerations and was referred to a committee to consider the matters and recommend to the Board Committee appropriate action by the Board. On nomination of the Chairman, Messrs. Blair, Deaven, and Douglas were appointed to membership in this Committee. Mr. Blair was designated by the Chairman as Chairman of the Committee and Mr. Deaven as Vice-Chairman.

The Chairman reported that the Budget Committee, at its meeting held January 23, 1950, approved the recommendation of the Vice-President in Charge of Business Affairs that the title of "Business Manager," be changed to "Business Manager—Special Projects," and that the title of "Associate Business Manager," be changed to, "Business Manager—Campus Operations," and that in accordance with notice of intention to amend the By-laws given at the January 19, 1950, meeting of the Board, it is recommended that the following amendments to the By-laws be adopted:

Article IV, Section 7, relative to the Business Manager and Associate Business Manager which reads:

a) The Business Manager and Associate Business Manager shall, in accordance with such regulations as the Board from time to time adopt, be responsible to the Chancellor through the Vice-President in Charge of Business Affairs. They shall respectively have such powers and perform such duties in connection with the management of the physical plant and the administration of the business affairs of the University (other than those relating to investments and investment properties) as the Chancellor through said Vice-President shall direct. In case of the inability to act of the Vice-President in Charge of Business Affairs, the Business Manager (or in case of his inability to act, the Associate Business Manager) shall have the powers and perform the duties of said Vice-President.

b) In the absence of the Business Manager and the Associate Business Manager, or in the event of the inability of both to act, an Assistant Business Manager shall have the powers and perform the duties of said officers.
be amended to read:

The Business Manager (Special Projects) and the Business Manager (Campus Operations) shall in accordance with such regulations as the Board may from time to time adopt be responsible to the Chancellor through the Vice-President in Charge of Business Affairs. They shall respectively have such powers and perform such duties in connection with the management of the physical plant and the administration of the business affairs of the University (other than those relating to investments and investment properties) as the Chancellor through said Vice-President shall direct. In case of the inability to act of the Vice-President in Charge of Business Affairs, the Business Manager (Special Projects), or in case of his inability to act, the Business Manager (Campus Operations), shall have the powers and perform the duties of said Vice-President.

Article V, Section 3, relative to checks which now reads in part:

b) Checks drawn upon the University's Voucher and Payroll accounts shall be signed by the Business Manager, the Associate or an Assistant Business Manager, or a representative authorized by the Board against vouchers certified by the Comptroller, the Assistant Comptroller, or a representative authorized by the Board, be rescinded.

Article IV, Section 1, Paragraph A, relative to the officers of the corporation which now reads in part:

5) The officers of the corporation shall be

.....

Business Manager
Associate Business Manager
One or more Assistant Business Managers

be amended to read:

Business Manager (Special Projects)
Business Manager (Campus Operations)

It was voted that the By-Laws be amended as indicated.
February 9, 1930

In view of the action taken regarding Article V, Section 3(b) of the By-Laws, a resolution was adopted that checks of the University Bank upon its Treasurer and Payroll Accounts shall continue to be signed by the same persons as before until action can be taken by the Budget Committee designating representatives to act for the University in that regard.

At the request of the Chairman, Mr. Douglas, who had been requested to prepare a memorial to Mr. Russell for presentation at his meeting of the Board, presented the following memorial:

Sometimes, when we pause with heavy hearts at the loss of a friend, we are comforted by a sense of gratitude that he lived and was part of our lives. This is so in the death of Paul S. Russell, our friend and fellow member of the Board of Trustees. It is so because he gave so much of himself to his friends and to every activity in which he participated. In this giving of himself he gave to those about him a refreshing assurance that useful and happy living is neither very complicated nor very difficult. And he gave to his associates a contagious confidence that things worth doing could somehow be accomplished.

Pete Russell came to the University thirty-seven years ago. As an undergraduate he earned fame as one of Chicago's great quarterbacks. He was a natural leader on and off the football field, and as a student his interest and ability were such that he considered undertaking graduate study with a view to teaching history. Upon graduation he went to work for the Harris Trust and Savings Bank.

In World War I he served with distinction in France as a Captain of Infantry in the 5th Division. He returned to the Bank, and in 1922 married Carroll Bacon when he had not yet when she was a student at the University. The pattern of his life was set and complete. For the next twelve-seven years his many activities and interests were ordered and made effective by his devotion to his family, the University and the Bank. His family life enriched his life of a civic community. His untiring effort and also council in University affairs, both as an alumnus and as a Trustee, have made the University stronger and better. His loyal service and his able leadership in the Bank are attested by the pride of all his associates in having been their President. He left the mark of his energy and good judgment on many civic undertakings.

Chooks

Russell, Paul S.,
Memorial to
Pete Russell had a remarkable capacity for making friends, and no one had as many on the faculty and among the alumni of the university. His helpful influence was then extended to almost every area of University activity. We cannot today fully realize the part he has played. In the words of the Chancellor, "It is hard to imagine the University without Pete Russell." Our loss is very great.

We pray that his family may be comforted by the love and courage of his life, and in part by a realization that their sense of loss is shared by all who knew him.

The memorial was received and ordered inscribed in the annals.

On the recommendation of the Chairman,

It was voted that the Special Committee on Review of Administrative Procedures be abolished.

The Chancellor reported informally that the Eli Lilly Company, of Indianapolis, Indiana, has become a member of the Institute of Radiology and Biophysics, and that this addition brought the total membership in the Institutes to 27, and the annual contributions to $475,000.

The Chancellor reported that it had been decided not to bring the statement on academic freedom before the Board at this time for formal consideration, but to refer the statement to a committee consisting of the Chairman and Vice-Chairman of the Board and the three officers of central administration, which would review any matters requiring consideration and determine what issues were involved.

The Chancellor reported that hearings were being held in Washington by the House Ways and Means Committee on February 9th and 10th with a view to closing the loopholes in the income Tax law which permit educational institutions to operate competitive businesses without paying income tax. The associations of American universities, which in an organization composed of 34 leading American universities, has a committee on the subject which will act as spokesmen for educational institutions at the hearings. Dr. J. C. Killian, Jr., President of Massachusetts Institute of Technology, is chairman of this committee. It is understood that this committee intends to present certain recommendations at the hearings which do not appear to have been well considered. The Chancellor commented on the Committee's proposed recommendations and pointed out that if it is not possible to secure their modification it may be necessary for the University to make certain...
public statements setting forth its point of view in the matter.

General discussion of the subject followed.

The Chancellor referred to the plans of the Government
to manufacture the hydrogen bomb and discussed possible
effects of this project upon the University.

The Chairman stated that the Budget Committee, at the
February 5, 1950, meeting had approved the Revised Univer-
sity Regular Budget for 1949-50, but that he thought it
better positioning for the Board to pass upon it and had
requested the Chancellor to bring up the matter at this
time.

The Chancellor's letter presented the Revised Budget and
summarized reasons.

Following discussion,

It was voted to adopt the Revised University
Regular Budget for the fiscal year 1949-50 as
presented and the specific recommendations set
forth in the Chancellor's letter transmitting
the Budget.

(The Chancellor's letter of transmittal referred
to above appears in full in the minutes of the
meeting of the Committee on Budget held on
February 6, 1950.)

The Vice-President in Charge of Business Affairs reported
informally that the University had more than a thirty day's
supply of coal on hand, and would be able with conservation
to carry on its essential operations.

The Vice-President in Charge of Business Affairs announced
that the University had entered into an arrangement under
which it was to use Argonne National Laboratory for serv-icing
the AEC's pre-doctoral fellowship program for the
middle west geophysical area for a one year period. The
work is administrative in nature and will be carried out
through the Board of Governors of the Laboratory.

The Vice-President in Charge of Business Affairs submitted
the following reports:

I desire to report that the will of Mary J. Bigelow,
Dean Emeritus of the Law School, who died in Chicago
on January 2, 1950, provides that the University of
Chicago shall receive (a) his house at 1029 East 50th
Street, following the termination of a life estate given
Mary Estelle Bradley, and (b) the manuscripts, books,
manuscripts and other legal material located in his office
at the law School.
The residuary estate of the testator (now estimated at $160,000.00) is left in trust. Out of the net income from the trust, Sophia Anderson (housekeeper) is to be paid $200.00 per month for life. The remainder of the net income is to be paid to Amy H. Stone (sister) and Mary Hastings Bradley (friend) and the survivor of them, for life. If such net income is less than $5,000.00 a year, the trustees are to make up the deficit from the corpus of the trust. Upon the death of the survivor of said Amy H. Stone and Mary Hastings Bradley, the trust is to terminate and the corpus of the trust is to be distributed as follows: If Sophia Anderson is still alive, she is to receive a life annuity in the amount of $50.00 a month; $50,000.00 is to be paid to each of the following in their living: Harold E. Donaldson (nephew) and Allen D. Shaldon (nephew of Mary Hastings Bradley and wife of Huntington Shaldon). The remainder of the corpus of the trust is to be turned over to the University for the endowment of the Harry A. Bradley Professorship in Law. The funds received are to be held as endowment and only the income used in the maintenance of the Professorship.

The proceeds from the sale of the Napole house are to be added to the Professorship fund, and in the event the University retains the house, it is to add an amount equal to the value thereof to the fund. The University is given the privilege of naming the income of the fund for a period of not to exceed 20 years before setting up the Professorship.

Mary Hastings Bradley is named executrix, and the Northern Trust Company, successor executor, of the will. They are also named as co-trustees under the will.

I desire to report that the will of Paul S. Russell, a member of the Board of Trustees of The University of Chicago, at the time of his death on January 8, 1950, contained an unrestricted bequest of Five Thousand Dollars ($5,000.00) to the University.

I desire to report that the will of Ruth Shaldon, who died in Peoria, Illinois, on December 18, 1949, contained a bequest of $1,000.00 to the "Student Loan Fund of the Class of 1919 of The University of Chicago."

The testatrix received a B.A. degree from the University in 1912 and was principal of a High School in Peoria.

The reports were received and ordered placed on file.
On behalf of the Chancellor, the Vice-President in Charge of Business Affairs presented the following resolution:

Respect was paid at the March 10, 1969, meeting of the Board of the bequest to the University contained in the will of Katherine Speed Murphy, deceased. The First National Bank of Chicago, executor of Mrs. Murphy's will, is now taking up the estate and proposes to make distribution to the University at this time of approximately $1,000,000.00 in Government bonds and cash, which constitutes the entire residuary estate of the testatrix, except for certain amounts withheld to cover tax and administration expenses. In accordance with its practice, in such matters and especially in view of the size of the estate, the executor requests that the Murphy bequest be officially accepted by the University. It is accordingly recommended that the following resolutions be adopted:

Section 1. Article 13, Section (e) of the Last Will and Testament of Katherine Speed Murphy, deceased, provides as follows:

(E) To the University of Chicago, Chicago, Illinois, for the benefit of the University of Chicago, my husband's alma mater, all of the balance of my estate. This gift shall be used by the said University to create a perpetual trust whose income is to be devoted to assisting worthy boys to secure an educational under scholarship awards. These are to be known as the HENRY C. MURPHY SCHOLARSHIPS and preference is to be shown students who plan to adopt journalism as their profession.

Section 2. The First National Bank of Chicago, executor of the testate of Katherine Speed Murphy, deceased, proposes to satisfy this bequest by delivering to THE UNIVERSITY OF CHICAGO, the cash and securities constituting the balance of the estate. This gift shall be used by the said University to create a perpetual trust whose income is to be devoted to assisting worthy boys to secure an educational under scholarship awards. These are to be known as the HENRY C. MURPHY SCHOLARSHIPS and preference is to be shown students who plan to adopt journalism as their profession.

Now, therefore, be it resolved, that THE UNIVERSITY OF CHICAGO accept in full payment and satisfaction of the bequest contained in Article 13 (e) of the Last Will and
Testament of KATHERINE SPEED HUPPHY, Deceased, the cash and securities constituting the balance of the rest, residue and remainder of the estate of KATHERINE SPEED HUPPHY, Deceased.

BE IT FURTHER RESOLVED, that the delivery of said cash and securities to the FEBNATIONAL BANK OF CHICAGO, as executor, be accepted for and on behalf of this corporation by J. Parker Hall, Treasurer of this corporation, and that the said J. Parker Hall as Treasurer of this corporation, be authorized and directed to deliver to the FEBNATIONAL BANK OF CHICAGO, executor of the Last Will and Testament of KATHERINE SPEED HUPPHY, Deceased, a receipt acknowledging full payment and satisfaction of said bequests;

BE IT FURTHER RESOLVED, that this corporation shall use said cash and securities in full compliance with the terms and provisions of Article 13(C) of the Last Will and Testament of KATHERINE SPEED HUPPHY, deceased, and not otherwise, and that the officers of this corporation be and hereby are authorized and directed to place said cash and securities in a perpetual trust whose income is to be devoted to assisting worthy boys to secure an education under scholarship awards; such awards to be known as the REINHARD HUPPHY SCHOLARSHIPS, and preference is to be given students who plan to adopt journalism as their profession.

It was voted to adopt the foregoing resolution.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs presented the following resolution:

The University of Chicago, as residuary legatee under the will of Edward Smith, deceased, has received to date approximately $24,000.00 from his estate. Report of this bequest was made at the December 11, 1947, meeting of the Board of Directors. Trust and Savings Bank, executor of Mr. Smith's will, in turn winding up the estate, and will make a final distribution in the amount of approximately $24,000.00, to the University in the near future. In accordance with its practice in such matters, and especially in view of the size of the estate, the executor requests that the Smith bequest be officially accepted by the University. It is accordingly recommended that the following resolution be adopted:

WHEREAS, Reinhard Remke died a resident of Chicago, Illinois, November 11, 1947, leaving a Last Will and Testament which has been admitted to probate in the Probate Court of Cook County, Illinois, in and by which he provided after certain other bequests as follows:
FIFTH. All the rest, residue and remainder of my estate of every kind, nature, and description, I give, devise and bequeath unto The University of Chicago, a corporation organized and existing under the laws of the State of Illinois, to be held as part of the endowment funds. The principal of said fund shall be invested and reinvested in the unrestricted discretion of said University, free from any restrictions now or hereafter imposed by law upon the investment of trust funds, and the net income derived therefrom shall be used for the support of teaching and research in the Departments of Medicine and Surgery of the said University, if by reason of progress in the sciences or improvements in the methods of teaching and research or for any other compelling reason the Trustees of the University shall deem it desirable to change the name of the said Department or the scope and character of their work, they shall be free to do so, provided, however, that the income from said fund shall nevertheless always be devoted to and used in such manner as shall conform most nearly to the objects and purposes herefore above mentioned, and,

WHEREAS, Harris Trust and Savings Bank, duly qualified as Executor of said Will and has substantially completed the administration of the estate of said decedent and is ready to make distribution of the entire estate, residue and remainder thereof in accordance with the provisions of the decedent's Will above quoted and upon acceptance thereof by The University of Chicago under the terms and conditions above set forth.

NOW, THEREFORE, BE IT RESOLVED, that The University of Chicago accept the devise of the entire estate, residue and remainder of the estate of Nathaniel Reinhard, deceased, for the purposes and upon the conditions specified by Article Fifth of his Will as above set forth.

FURTHER RESOLVED, that the proper officers of The University of Chicago be and they hereby are authorized and directed to execute such instruments and take such further steps as may be necessary or desirable in order to collect and receive the property so devised to it and to carry out in all respects the purposes of said devise.

It was voted to adopt the foregoing resolution.
On behalf of the Chancellor, the Vice-President and Dean of Faculties acting for the Vice-President in Charge of Development presented the following recommendation:

It is recommended that the following contributions and grants of $25 or more, made or pledged since the last meeting of the Board, be accepted: (Gifts and pledged money reported to the Board at this meeting aggregate $156,746.21)

(The detailed contributions and grants were forwarded to all members of the Board and a copy has been attached to the official copy of the minutes of this meeting.)
$42,332 contributions for cancer research

25,000 for the purchase of electrical equipment in connection with the biological research program

22,229.12 through the Alumnae Foundation in support of the University

CHICAGO LIVING-IN HOSPITAL AND DISPENSARY

$4,070.94 Friends of CLI
It was voted that the recommendation as presented be approved.

The Vice-President and Dean of Faculties, acting for the Vice-President in Charge of Development, submitted a report of visits for fundraising purposes made by representatives of the University during the month of January, also a summary report on gifts during designated periods.

The reports were received and ordered placed on file.

Adjourned at 3:30 P.M.

Howard H. Hunt
Secretary
Pursuant to notice, the regular April meeting of the Board of Trustees was held at the Board Room, 3624 Ellis Avenue, on Thursday, April 13, 1950, at 3:30 P.M.

There were present: Mr. Zinnmann, in the chair, Messrs. Aldis, Axelson, Beaven, Donnelley, Douglas, Field, Goodman, Hatfield, Peeples, Sherer, Gilmberger, and Smith, also; Messrs. Cunningham, Dalham, Filer, J. P. Hall, Harrell, Harrison, Mathews, Moore, and Williams.

Prayer was offered by Mr. Axelson.

The minutes of the last regular meeting of the Board of Trustees held on February 9, 1950, copies of the minutes having been previously sent to all members of the Board, were approved.

The minutes of the meetings of the Budget Committee held on February 6, 1950, February 20, 1950, March 6, 1950, March 20, 1950, and April 13, 1950, and the Investment Committee held February 3, 1950, copies of the minutes having been previously sent to all members of the Board, were approved, except minutes of meeting of April 3, 1950, relating to The Great Books Foundation, which minutes were not approved.

At the request of the Chancellor, the Vice-President and Dean of Faculties presented the following report and recommendation with respect to the proposed affiliation with Frances Shimer College:

Mr. Herman D. Seth, Chairman of the Sub-Committee on this matter, has carefully gone over the Articles of Affiliation as adopted by Frances Shimer College on April 6, 1950, with Mr. Samuel J. Campbell, President of the Board of Trustees of that College. Mr. Seth feels very strongly that the affiliation would be advantageous to the University and recommends its adoption. Mr. A. J. Strawbridge, formerly Professor of Education and Dean of Students at the University, has been elected President of the College effective July 1, 1950.

The Articles of Affiliation were read as follows:

ARTICLES OF AFFILIATION Between
THE UNIVERSITY OF CHICAGO and
FRANCES SHIMER COLLEGE

The University of Chicago and Frances Shimer College, in order to promote and expand the opportunities for a general liberal education, and to cultivate the teaching and testing techniques which best support such an

The University of Chicago, Board of Trustees

Pursuant to the provisions of the Articles of Affiliation, Frances Shimer College will be admitted to membership in the University of Chicago, effective July 1, 1950.
Board of Trustees

April 15, 1950

education, do hereby subscribe to the following Articles of Affiliation between The University of Chicago and Frances Shimer College:

I. CURRICULUM

The basic curriculum of Frances Shimer College will be modeled on the curriculum of the College of The University of Chicago.

The students of Frances Shimer College, upon the successful completion of the basic curriculum and upon the fulfillment of the requirements and regulations, shall be awarded a Bachelor of Arts Degree by Frances Shimer College.

Frances Shimer College shall adopt the quarterly division of the academic year employed by the College of The University of Chicago.

Frances Shimer College shall become a co-educational institution.

II. GENERAL RELATIONSHIPS

The University of Chicago and Frances Shimer College shall cooperate and collaborate on matters pertaining to their respective curricula, faculties and administrations, and shall establish the communications and exchange necessary to the accomplishment of this objective.

III. ADMINISTRATIVE IMPLEMENTATION

The administrative officers of The University of Chicago and Frances Shimer College are authorized within the powers already delegated to them by their respective Boards of Trustees, to implement the Principles of these Articles of Affiliation through the establishment of cooperation and collaboration in services, personnel and the use of staff, agencies and facilities, such as those involved in the areas of recruitment, admissions, testing, examinations and instruction.

IV. REPORTING

The Chief Administrative Officers of The University of Chicago and Frances Shimer College shall report regularly to their respective Boards of Trustees, the status and progress of the activities resulting from these Articles of Affiliation.
V. RETENTION OF SEPARATE STATUS

The Boards of Trustees of The University of Chicago and Frances Shimer College, although continuing as separate corporate entities, shall establish close communication in order to achieve and maintain the agreement and the principles envisaged herein.

VI. METHOD OF TERMINATION

This affiliation shall be reviewed at the end of five years. Within that period it may be terminated only with the consent of both Boards of Trustees. After the initial period of five years, the affiliation may be terminated at the request of either institution upon notice to be given one year in advance of the opening of the academic year.

It was pointed out by Mr. Harrison that the proposed affiliation will make it possible to determine how the University program will work in another educational institution and with a cross section of the average student body. It is important that this test be made, and there is every reason to believe that it will be successful.

In connection with the general discussion of the proposed affiliation the Chancellor stated that the University does not contemplate any change in the College of the University. We now have 407 students in the first 2 years of the College which is an increase by approximately 15 per cent over last year at this time.

It was voted to adopt the Articles of Affiliation between The University of Chicago and Frances Shimer College as presented.

The Chancellor presented the following recommendations:

It is recommended that Ronald S. Crane, Professor of English, be appointed Distinguished Service Professor of English. This recommendation has been made and warmly supported by members of the staff of the Humanities and by the present and former Deans of the Humanities.

It was voted that the recommendation as presented be approved.
The Chancellor presented the following recommendations:

It is recommended that persons on full-time academic joint appointment by the University and the National Opinion Research Center be made eligible for retirement allowances under Statute 19, and that the University contribute 5 per cent of the salary paid by the University, NORC contribute 5 per cent of the remainder of full-time salary, and the employee contribute 5 per cent of the total salary.

It was voted that the recommendation as presented be approved.

The Chancellor reported that the Lilly Endowment had joined the Institute of Nuclear Studies, which brought the membership in the Institute to 30 and the amount of the annual contributions to $740,000.00.

The Chancellor presented the budget letter transmitting the 1950-51 Consolidated Operating Budget, including supplementary summary tables, reporting that the Committee on Budget had approved and recommended the adoption of the budget. He stated that items totaling $61,500.00 had been deleted from the budget as originally presented by the Central Administration, but that on reviewing the matter further he had ascertained that certain commitments had been made, and therefore he was requesting that there be added to the total of the proposed budget the sum of $61,500.00, and that the underwriting be increased accordingly.

The following is the budget letter as presented:

National Opinion Research Center

Institute of Nuclear Studies

Lilly Endowment

1950-51 Consolidated Operating Budget, Approval of

Student Fees, Increase in
The proposed Consolidated Operating Budget of The University of Chicago for the fiscal year 1950-51 aggregating $45,704,533 is submitted herewith. This consists of:

<table>

</tr>
<tr>
<td>Total</td>
<td>$45,704,533</td>
<td>$46,514,400</td>
<td>$809,867</td>
</tr>
</tbody>
</table>

The total, which does not include capital expenditures for new buildings financed by the University or by the government, is more than four times the present Consolidated Budget level of the University.

Since the expenditures from restricted expendable gift funds and government contracts are controlled by the amounts of specific gifts or contract provisions, and those for auxiliary enterprises are in the main self-financing or produce a net income for the support of the University Regular Budget, the comments in this memorandum will be confined to the activities which comprise the University Regular Budget.

The University Regular Budget embraces those educational undertakings of a more or less continuing nature. Whereas the 1949-50 Revised Regular Budget provided for an estimated underwriting of $552,037, the underwriting in the proposed 1950-51 Regular Budget is $1,105,293, a reduction of $553,256. This estimated decrease is due to an estimated increase of $254,037 in non-underwriting income and an estimated decrease of $800,293 in net expenditures. The 1950-51 underwriting is 6.8 per cent of the estimated expenditures (prior year 8.04 per cent).

A summary of the proposed budget appears on the next page.

</table>

- a Adjusted to agree with revised classification.
- b Savings due to expected transfers to Government contracts and Restricted Expendable Funds in the amount of $305,621 in 1950-51 are included as credits to the Divisions and Schools under the Instruction and Research category.
- c Does not include provision for telephone expense ($115,000) which now appears under President's Contingency but is to be transferred to departmental accounts and provision for wage increases ($40,353) recently approved, which total $155,354 appears in contingency funds.
- d Excludes provision for telephone expense ($115,000) previously carried under Plant Operation, provision for wage increases ($95,603), and an undesignated contingency of $25,000.
The principal items comprising the estimated increase of $952,037 in non-underwriting income are as follows:

1. The estimated increase from Student Fees of $5,713,024 is $63,524 or 1.2 per cent more than the revised 1949-50 estimate. This estimate is based upon an assumed continuing slight decline of a per cent and upon proposed increases in fees rates of $7.00 per quarter per student in the college, Divisions, and Professional Schools, and a $25.00 per regular school-year increase in the Laboratory and Nursing Schools.

2. The Endowment Income is estimated at $4,017,340, a decrease of $162,535 from the revised 1949-50 estimate. The 1950-51 estimate reflects the anticipated loss of endowment income due to use of principal of funds functioning as endowment to support the budget and to finance the construction of new buildings.

3. The estimated increase of $3,54,260 in income from Patient Fees is due to anticipated income arising from the operation of the Goldblatt Memorial Hospital and proposed increases in patient-fee rates.

4. The estimated increase in net income from auxiliary enterprises of $40,961 is largely accounted for by an increase in net income from housing units and Housing Properties and a reduction ($7,018), in the estimated deficit of the Publication Department of the Press (estimated deficit $26,342).

5. The estimated net increase of $27,470 in Student Fees is due to the expected receipt of interest from the Encyclopaedia Britannica notes.

6. The estimates of Current Gifts for Student Support has been placed at $1,477,230 which is $34,617 greater than the revised 1949-50 estimate. This estimated increase in gift income has been prepared by the Development Office and approved by the Central Administration. The anticipated increases is largely from additional unrestricted contributions from the Alumni Foundation of $29,000 (new total $179,000), the research institutes of $25,000 (new total $165,000), and an increase of $6,603 from the Baptist Theological Union (new total $38,260), and a reduction of $20,000 in the estate scholarship program (new total $15,000), and in sundry gifts of $4,000 (new total $24,490).

Of the total of $1,477,230, there is already pledged $922,260, leaving a balance of $554,460 to be raised. The items yet to be raised are:

- Alumni Foundation annual gifts
- Bursar scholarship program
- Research institutes
- Chicago Lying-in Hospital
- Convalescent Hospitals
- Institutes
- Student Trustee gifts
- Miscellaneous gifts

Total $554,460

Income

The principal items comprising the estimated increase of $952,037 in non-underwriting income are as follows:

1. The estimated increase from Student Fees of $5,713,024 is $63,524 or 1.2 per cent more than the revised 1949-50 estimate. This estimate is based upon an assumed continuing slight decline of a per cent and upon proposed increases in fees rates of $7.00 per quarter per student in the college, Divisions, and Professional Schools, and a $25.00 per regular school-year increase in the Laboratory and Nursing Schools.

2. The Endowment Income is estimated at $4,017,340, a decrease of $162,535 from the revised 1949-50 estimate. The 1950-51 estimate reflects the anticipated loss of endowment income due to use of principal of funds functioning as endowment to support the budget and to finance the construction of new buildings.

3. The estimated increase of $3,54,260 in income from Patient Fees is due to anticipated income arising from the operation of the Goldblatt Memorial Hospital and proposed increases in patient-fee rates.

4. The estimated increase in net income from auxiliary enterprises of $40,961 is largely accounted for by an increase in net income from housing units and Housing Properties and a reduction ($7,018), in the estimated deficit of the Publication Department of the Press (estimated deficit $26,342).

5. The estimated net increase of $27,470 in Student Fees is due to the expected receipt of interest from the Encyclopaedia Britannica notes.

6. The estimates of Current Gifts for Student Support has been placed at $1,477,230 which is $34,617 greater than the revised 1949-50 estimate. This estimated increase in gift income has been prepared by the Development Office and approved by the Central Administration. The anticipated increases is largely from additional unrestricted contributions from the Alumni Foundation of $29,000 (new total $179,000), the research institutes of $25,000 (new total $165,000), and an increase of $6,603 from the Baptist Theological Union (new total $38,260), and a reduction of $20,000 in the estate scholarship program (new total $15,000), and in sundry gifts of $4,000 (new total $24,490).

Of the total of $1,477,230, there is already pledged $922,260, leaving a balance of $554,460 to be raised. The items yet to be raised are:

- Alumni Foundation annual gifts
- Bursar scholarship program
- Research institutes
- Chicago Lying-in Hospital
- Convalescent Hospitals
- Institutes
- Student Trustee gifts
- Miscellaneous gifts

Total $554,460
Comments follow with respect to the more significant aspects of the proposed expenditures:

1. The proposed net expenditures of $17,327,528 represent—
   a. An increase of $300,498 (1.8 per cent) over the 1949-50 Revised Budget; and
   b. An increase of $687,553 (6.0 per cent) over the actual for 1948-49.

The trend in net expenditures in the University Regular Budget during recent years has been:

<table>

2. The proposed decrease of $85,609 from the revised 1949-50 estimate in General Administration and General Expense is due in large part to a reduction in the proposed expenditures of the Central Administration, Development, Public Relations, and Alumni Offices, offset in part by increases in several other offices. A comparative breakdown of the General Administration and General Expense is shown on pages 26 and 27.

3. Under the heading of Institutional and Research it will be noted that the proposed budget shows an aggregate increase of $313,431 over the 1949-50 Revised Budget, but on a comparative basis this increase is $619,446.

In order to secure the full cooperation of Deans in charging as much as possible of the salaries and other expenses to government contracts and restricted expendable gift funds instead of to the University Regular Budget, it has been decided to give the administrative officers in the Divisions and Schools the benefit of these transfers in the administration of the 1950-51 budget. Therefore those savings have been treated as general University credits and included as one item in the budget under the major category of "General Administrative Allowances and Credits."

Because of this change in the budget basis, there is shown below a breakdown of the increases and decreases in the major items comprising the Institutional and Research category of expense on both the old and new bases of accounting.
A summary statement of the proposed expenditures for the 1950-51 Budget together with comparisons for the two previous years appears on pages 13 and 14.

4. The estimated increase of $16,736 in the provision for Retiring Allowance and Annuity Premiums is due in large part to an increase in both academic and non-academic retiring allowances and pensions ($10,236), and annuity premiums for faculty ($6,500).

5. The estimated reduction of $221,155 in the budget for Plant Operation is due in the main to:
   a. The transfer of telephone expense ($50,987) to President’s Contingency, but which will be transferred to departmental accounts on July 1, 1950,
   b. Elimination of building alterations ($63,364),
   c. Reduction in repairs of $17,813, maintenance of grounds $5,342, trucking expense $10,410, Chancellor’s house alterations and furniture $63,788, Hospitals and Clinics buildings and grounds expense $33,085 and
   Offset by:
   d. Increases in the Hospitals and Clinics housekeeping expense ($17,806) due largely to the opening of Goldblatt Hospital.

**Summary:**
- Estimated increase of $16,736 in Retiring Allowance and Annuity Premiums.
- Estimated reduction of $221,155 in Plant Operation.
- Contributions and pensions and annuity premiums for faculty.
- Transfers to departmental accounts.
- Elimination of building alterations.
- Reduction in repairs, maintenance, and trucking expenses.
- Increases in housekeeping expenses due to the opening of Goldblatt Hospital.
This section of the Budget also includes provision for the plant expenses of the Research Institutes Building. There has been provided under Contingency Funds $497,556 for ceilings and grounds wage adjustments recently approved.

6. The increase of $23,947 in the provision for Student Aid is explained entirely by the receipt of new endowment funds restricted to Student Aid purposes.

7. The proposed budget includes $99 salary increases for faculty and administrative officers (average $4,99 per person), necessitating an annual increase of $210,100 in the budget level. This includes 13 transfers to full-time, four-quarter service contracts ($2) at a total annual increase of $26,743 (average increase $2,124). The total of 499 salary increases, $201, were for members of the University faculty with the rank of Instructor or higher (average increase per person $202). 77 (average increase $314) were for teachers in the Subcollegiate area and 203 (average increase $243) were for administrative staff, librarians and other professional personnel.

Provision has also been made for 98 new appointees, whose salaries aggregate $99,960 annually (average salary $4,091), some of whom replace persons who are resigning or retiring. This includes 11 new appointees, totaling $2,200 annually (average salary $200). The number of full-time, four-quarter (4E) appointees in the University, including those provided for in the proposed budget, will total 508.

The foregoing salary increases and new appointments require an annual increase in the budget level of $210,100 and affect 597 faculty and administrative officers. This increase in the budget level is offset in part by retirements and resignations.

The 1950-51 budget provides for 803 full-time members of the faculty with the rank of Instructor or higher. Research Associates, Visiting Professors, Lecturers, etc., are not included in this total. Of this number, 767 are Professors, 27 are Associate Professors, 229 are Assistant Professors, and 158 are Instructors.

8. The proposed Contingency Funds amount to $230,601, consisting of provision for telephones ($213,000) previously carried in the Plant Operation budget but which will be transferred to departmental accounts as soon as the current survey is completed, provision for union wage adjustments ($9,601) recently approved by the Budget Committee, and $2,000 for undesignated purposes.

9. It is estimated that during 1950-51 the University will receive Operating Allowances of $2,536,000, of which $1,577,000 is expected to be received from government contracts and the balance of $950,000 from research allowances earmarked to Restricted Disposable Gift Funds. This total ($6,532,000) is $20,500 less than estimated in the 1949-50 Revised Budget.

10. The proposed budget makes no provision for the extension of the social security to non-profit institutions, nor for the extension of a contributory retiring allowance plan to non-faculty personnel.
The trend in estimated underwriting and the amount actually required during recent years has been as follows:

* After provision for adjustments in reappropriated balances.

It is recommended that the foregoing Consolidated Budget of $45,704,533 for the fiscal year 1950-51 be adopted with the following specific action as to financing and operation:

1. Authorize the Controller to transfer to University Regular Budget $806,325 from principal of funds functioning as endowment, per pages 24 and 25 of tables, consisting of:
   a. 5 per cent of July 1, 1950 principal balances of certain funds which may be used under releases from the several Rockefeller Boards, estimated as $689,605
   b. Oriental Institute Endowment No. 2 (amount needed in excess of other income for Oriental Institute) estimated at but subject to adjustment at end of year when actual expenses of the Institute are determined $186,720

2. An appropriation of (or as much thereof as may be necessary) to be applied in the following order from:
   a. T. Philip Swift Suspense Fund $12,500
   b. Fiftieth Anniversary Endowment Suspense $27,712

Total $21,212,530

If the foregoing appropriations are made there will remain unappropriated the sum of in the unrestricted suspense funds and in General Reserve.
This unappropriated balance of $1,442,630 compares with an unappropriated balance of $1,343,599 a year ago when the original 1949-50 budget was adopted. Anticipated savings in the underwriting of the 1949-50 budget should improve this balance when the books are closed for the current year.

3. Since the releases from the original terms of the gifts of the various Rockefeller Boards require that new appropriation from principal shall be made only on the affirmative vote of not less than four-fifths of the Trustees or Directors of the holder of the gift or any part thereof from which such appropriation shall be made, it is suggested that the individual members of the Board of Trustees not present be polled with respect to the use of 5 per cent of the principal of the several funds, estimated to aggregate $689,605, for the support of the University Regular Budget in the fiscal year 1950-51, it being understood that this sum, or so much thereof as possible, will be restored to the principal of these funds if and when funds become available.

It will be recalled that by unanimous vote, 5 per cent of the principal of these funds has been authorized for support of the University Regular Budget in the following years:

<table>

<td>$755,858</td>
</tr>
<tr>
<td>1949-50 (estimated)</td>
<td>$725,900</td>
</tr>
</tbody>
</table>

5. Authorization to the Chancellor and other appropriate administrative officers to operate the University within the total of the University Regular Budget of $17,327,528 and to make adjustment of appropriations within this limit, it being understood that all feasible economies of expenditure will be made and that such economies will be reflected in the final outcome of the budget and not used for projects not now contemplated in the budget without further reference to the Board.

Respectfully submitted,

ROBERT H. HUTCHINS
Chancellor
Various aspects of the budget were commented on by the Chancellor. In connection with the discussion of the budget, the Comptroller suggested that in order to provide for the additional appropriation of $61,500.00 that the recommended appropriation from suspense funds be made as follows: (a) F. Philip Drift Suspense Fund $22,500.00, (b) Fiftieth Anniversary Natchez Suspense Fund $27,000.00 and (c) Fiftieth Anniversary Foundation Suspense Fund $47,303.00. This total of $61,803.00 is added to the amount of $250,725.00 to be taken from funds functioning as endowment, the total of these, viz., $32,237,725.00, would be the aggregate sum of the underwriting.

The Chairman pointed out the By-Laws provide that the final approval of the budget shall receive the affirmative vote of a majority of the Trustees in office, and that there were only 13 Trustees present at the meeting. It was voted that the budget, including the proposed increases in student fees rates, be approved as presented, and that the actions suggested in the budget letter be adopted subject to securing the necessary affirmative votes from absent members of the Board of Trustees as required for approval under the By-Laws.

The Chairman called attention to the requirement of an affirmative vote of not less than four-fifths of the Trustees to make appropriation from principal of the various Rockefeller Foundation gifts, as proposed in the budget and set forth in item 3 of the actions suggested in the budget letter. It was voted that those individuals voting affirmatively on the above motion to approve the budget as presented shall be counted as voting to approve the use of 5 per cent of the principal of the several funds contributed by the Rockefeller Board and enumerated on pages 22 and 23 of the complete budget, as recommended, estimated to aggregate $650,604.00, for the support of the University Regular Budget, in the fiscal year 1950-51, it being understood that this sum or so much thereof as possible, will be restored to the principal of those funds if additional funds become available and it being further understood that the approval of the use of 5 per cent of the principal of said funds shall be subject to the securing of a four-fifths affirmative vote of the members of the Board of Trustees for such use.

(A copy of the complete bound budget will be sent to all members of the Board of Trustees at a later date.)
The Chairman of the Special Committee on the Great Books Foundation stated that the Committee on Budget, at its April 3, 1950, meeting had voted to recommend to the Board that payment of the advance made by the University to the Great Books Foundation, in the sum of $240,000, be deferred for a period of five years from April 1, 1950, and that the Foundation be requested to give its non-interest bearing note evidencing such extension the reserve herebefore set upon the books of the University until receipt of this advance to be continued. Mr. Aldis pointed out that the recommendation of the Committee was not considered helpful by the Foundation, and also that the articles of incorporation of the Great Books Foundation, a corporation not for profit, organized under the laws of the State of Illinois, provided that upon the voluntary or involuntary dissolution of the corporation its assets, after the satisfaction and discharge of its liabilities and obligations would be transferred and conveyed to The University of Chicago. In view of these facts he recommended, in lieu of action taken by the Committee on Budget, that the advance of the University to the Foundation in the amount of $121,452 be treated as an advance of working capital for the Foundation against the reserve set up, and that this capital item be recorded appropriately on the books and records of the University and the Foundation, with the understanding that it shall remain the intention of the Foundation to reimburse the University for this capital amount at such time as other appropriate funds may be available as a replacement thereof.

It was voted to approve the substitute recommendation as presented.

The Secretary of the Board submitted the following report:

I regret to report the death of Arthur J. Dempster, Professor of Physics, on March 11, 1950, in Stuart, Florida. Mr. Dempster served as a member of the faculty from 1917 until his death. He received the degree of Ph.D. from The University of Chicago in 1917.

The report was received and ordered placed on file.

The Vice-President and Dean of Faculties reported some confidential information relative to the standing of University of Chicago student applicants for Atomic Energy Commission fellowship awards. All awards were made on the basis of competitive placement by the national committee on these Fellowships in accordance with standards established by the Committee. A total of 150 awards were voted, 71 of them to students in the physics area, including 22 at the University. There were 335 applications and 58 awards in the field of Physics, 3 of which, or .5 per cent, were to students at the University; 35 applications and 15 awards...
In Mathematics of which 5, or 50 per cent were to students at the University; and 120 applications and 50 awards in Chemistry, of which 10, or 20 per cent was to University students. Only 20 awards were made in Biology, of which 1 was made to a student at the University. Of the 18 students in the Department of Chemistry making applications, 12 received awards and 7 of these placed within the first 10 awards for the country as a whole. The first and second places in Chemistry were won by University students. Including the reasons there will be 15 or 16 A.R.C. fellows in the Department of Chemistry next year.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs presented the following report and resolution:

I desire to report that the will of James Witkowski, who died in Chicago on February 4, 1950, contains a bequest of $2,100 to Chicago Lying-In Hospital and Dispensary for the use and benefit of the Mothers Aid. The bequest is to be held as endowment, with the provision that in addition to the income, principal can be used in an amount not in excess of 4 per cent a year.

In order to comply with the requirements of the will with respect to this bequest it is recommended that the following resolution be adopted:

Now, therefore, Be It Resolved that the bequest to Chicago Lying-In Hospital and Dispensary of $2,100, for the use and benefit of the Mothers Aid of said Hospital, contained in the last will and testament of James Witkowski, deceased; shall be, and the same is unconditionally accepted in accordance with the terms and provisions of the will governing this bequest, and

Be It Further Resolved that the said gift and bequest shall be and the same is hereby designated as the "Witkowsky Meyer Witkowski Fund."

It was voted to adopt the foregoing resolution.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs submitted the following reports:

Report was made at the December 11, 1947, meeting of the Board of Trustees that the University was named as residuary legatee in the last will and testament of Reinhard Rembe, who died in Chicago on November 11, 1947.

I desire to report that full distribution has been made to legatees under Mr. Rembe's will and that the University has received cash and securities of a value of
This sum is to be held as endowment and the income used in support of teaching and research in the Department of Medicine and Surgery of the University.

The report was received and ordered placed on file.

On behalf of the Chancellor, the Vice-President in Charge of Business Affairs presented the following report and resolution:

Report was made at the April, 1949, meeting of the Board of Trustees of the bequest to the University contained in the will of Anna M. Thurston, deceased, of one-third of her residuary estate.

State Bank and Trust Company of Evanston as executor of Mrs. Thurston's will proposes to make partial distribution of the residuary estate at this time. Before making such distribution, the bank requests that the residuary legatees adopt a resolution in the form of that hereafter set forth. It is therefore recommended that the following resolution be adopted:

WHEREAS, ANNA M. THURSTON died a resident of Evanston, Illinois, March 4, 1949, leaving a last will and testament which has been admitted to probate in the Probate Court of Cook County, Illinois, in and by which she directed, after certain other bequests, that her residuary estate should be divided into three equal portions and distributed as follows:

(a) — —

(b) One of said portions I give and bequeath to the Trustees of THE UNIVERSITY OF CHICAGO, an Illinois corporation, of Chicago, Illinois, to be known as the JANE ELLISON MEMORIAL FUND in memory of my mother, for scholarships for worthy students, preferably in the School or Department of Speech of said University, who are dependent in whole or in part upon their own efforts to provide the means of obtaining an education.

(c) — —

METHES, State Bank and Trust Company, duly qualified as executor of said will and has substantially completed the administration of the estate of said decedent and is ready to make partial distribution of the rest, residue and remainder thereof in accordance with the provisions of decedent's will, and upon acceptance...
thereof by the Trustees of The University of Chicago, and the other residuary legatees, under the terms and conditions above set forth.

NOW, THEREFORE, WE IT RESOLVED that the Trustees of The University of Chicago accept the bequest of a one-third portion of the real, personal and remainder of the estate of Anna M. Thornton, deceased, for the purposes and upon the conditions specified in the provisions of the Will above set forth, and that the executor of the estate be, and it is hereby directed to have all checks in payment of said bequest be made to the Trustees of The University of Chicago payable to The University of Chicago.

FURTHER RESOLVED that J. Farber Hall, Treasurer of The University of Chicago, or Hortense Friedman, an Assistant Treasurer of said University, be and either of them is hereby authorized and directed to receipt for said bequest in the name of The University of Chicago, and if requested by the executor in connection with the distribution, to execute and deliver to the executor a refunding agreement with respect to that portion of the residuary estate to be received by the University.

It was voted to adopt the foregoing resolution.

On behalf of the Chancellor, the Vice-President in charge of Business Affairs presented the following report and resolutions:

The University has recently been advised that Bernard K. Sunny under date of January 16, 1921, created a living trust known as "The Ellen S. Sunny Trust", of which The University of Chicago is the ultimate beneficiary. The corpus of the trust, which now amounts to some $390,000 or $400,000 is held by George B. McKibbin, James C. McKibbin, and Angela S. Conley as trustees. Upon the death of any one of the three trustees, the First National Bank of Chicago becomes successor trustee for such person. The trust indenture provides that the trustees shall distribute the income from the trust to such of the eligible beneficiaries designated by Mr. Sunny in a statement filed with the Trustees, and in such amounts as the trustees in their sole discretion shall from time to time determine. Jane 12 to 13 persons are now receiving benefits from the trust and a like number of persons are eligible, but do not receive assistance. The trust terminates upon the death of the last surviving beneficiary named by the settlor in Atlanta No. 1 to said trust, dated June 23, 1941. The youngest beneficiaries, who are now approximately forty years of age, are the following: Helen B. Sunny, now Pumley, Anthony Colby Van Voorhis and his sisters.
Elizabeth Van Horne, now Heaney. The trust agreement also provides that the trustees shall make payments of principal aggregating now $74,000 to certain charitable beneficiaries in addition to the University. These payments have been made and the University is the only remaining charitable beneficiary, and will receive the entire corpus upon the termination of the trust. The trustees may, from time to time in their discretion, make payments of principal to the University prior to trust termination, if they believe that such principal is not required to carry out the provisions of the trust; they may not otherwise invest principal. The assets of the trust are held in a custodian account at the First National Bank, that provides advisory investment service. Most of the assets are invested in common stocks; $60,000 is invested in U. S. Bonds. The trust has been settled to the bank; the last time in 1940, and the bank has indicated its willingness to accept the responsibility of successor trustees. There is no restriction upon the use to be made by the University of funds received from the trust.

The following communication has been received from the trustees of this trust:

The University of Chicago
Chicago, Illinois

April 7, 1950

Gentlemen:

Under date of January 16, 1923, Bernard S. Sunny created a living trust known as the Helen S. Sunny Trust under which he appointed Angela H. Conley and the undersigned as trustees. Under date of June 23, 1924, the settlor executed Addenda No. 2 to said Trust and under its terms in Article 10, paragraph 2, (j) provision is made that after all the terms of the trust are complied with that the principal of this fund be turned over and delivered to The University of Chicago—by the end of the last beneficiary entitled to regular payments shall come into complete possession and enjoyment of all the assets of this Trust.

The settlor of the Trust died on October 5, 1943; and upon his death his widow, Emma S. Sunny, became the sole owner by virtue of joint tenancy of his residence located at 6923 N. Kimbark Avenue, Chicago.; Emma S. Sunny died on December 1, 1946; and by her last will and testament devised said residence to the undersigned Helen S. McIlhain.
It is the wish of the undersigned to make it possible for The University of Chicago to acquire this property, and it is our hope that it may be used for residence purposes. We also have in mind the very great interest that Mr. Sunny had in The University of Chicago and now that such use as the University may make of his home would meet with his complete approval.

Under the terms of the Trust the trustees have the legal right to turn over at this time to The University of Chicago such portion of the principal of the said Trust as in their judgment is not needed to carry out the provisions of the Trust. We, therefore, propose, at this time, to give to The University of Chicago Sixty Thousand Dollars ($60,000.00) out of the principal of the Trust and convey the aforementioned house to the University, and consequently the University will pay to Helen S. McKibbin the sum of $30,000.00.

We agree to assume and pay the 1949 and 1950 real estate taxes.

Very truly yours,
George B. McKibbin
Helen S. McKibbin
Angela M. Conley

The house at 4913 Kimbark Avenue was appraised by Mr. Earle A. Shilton on December 3, 1949, as being worth $29,000.00. The $30,000.00 to be paid by the University under the proposal set forth in the foregoing letter, represents not only the purchase price of the house, but also covers the 1949 and 1950 taxes which the seller agrees to pay, and certain furnace repairs recently made. Certain rugs and carpeting now in the house are being given to the University by Mrs. McKibbin.

The trustees suggest that the $60,000.00 received by the University be used as follows: $15,000.00 to reimburse itself for the amount paid for the house; an amount up to $5,000.00 to be made available for repairs to the house; and last $25,000.00 be added to endowment, upon the understanding that the income therefrom, at the discretion of the University, may be used for upkeep of the house, and payment of taxes. There is no legal requirement under the proposal that the University retain the house or use it for any special purpose.

It is recommended that the proposal be accepted and the following resolution of acceptance be adopted:

April 33, 1950

It is the wish of the undersigned to make it possible for The University of Chicago to acquire this property, and it is our hope that it may be used for residence purposes. We also have in mind the very great interest that Mr. Sunny had in The University of Chicago and now that such use as the University may make of his home would meet with his complete approval.

Under the terms of the Trust the trustees have the legal right to turn over at this time to The University of Chicago such portion of the principal of the said Trust as in their judgment is not needed to carry out the provisions of the Trust. We, therefore, propose, at this time, to give to The University of Chicago Sixty Thousand Dollars ($60,000.00) out of the principal of the Trust and convey the aforementioned house to the University, and consequently the University will pay to Helen S. McKibbin the sum of $30,000.00.

We agree to assume and pay the 1949 and 1950 real estate taxes.

Very truly yours,
George B. McKibbin
Helen S. McKibbin
Angela M. Conley

The house at 4913 Kimbark Avenue was appraised by Mr. Earle A. Shilton on December 3, 1949, as being worth $29,000.00. The $30,000.00 to be paid by the University under the proposal set forth in the foregoing letter, represents not only the purchase price of the house, but also covers the 1949 and 1950 taxes which the seller agrees to pay, and certain furnace repairs recently made. Certain rugs and carpeting now in the house are being given to the University by Mrs. McKibbin.

The trustees suggest that the $60,000.00 received by the University be used as follows: $15,000.00 to reimburse itself for the amount paid for the house; an amount up to $5,000.00 to be made available for repairs to the house; and last $25,000.00 be added to endowment, upon the understanding that the income therefrom, at the discretion of the University, may be used for upkeep of the house, and payment of taxes. There is no legal requirement under the proposal that the University retain the house or use it for any special purpose.

It is recommended that the proposal be accepted and the following resolution of acceptance be adopted:
RESOLVED, that The University of Chicago accept the proposed gift of $60,000 from the trustees of "The Ellen C. Sunny Trust" upon the terms and conditions set forth in letter of gift from the trustees dated April 7, 1950, and in fulfillment of said terms and conditions purchase the residence at 4933 Hyde Park Avenue from Helen S. Hoibin for the sum of $60,000.00, the seller, in consideration thereof, to assume payment of the 1949 and 1950 taxes assessed against said property. It is understood that the University shall reimburse itself out of the $60,000.00 received from the trust for the $30,000.00 paid for the property will make an amount up to $5,000.00 available for repairs to the property; and will add the remaining $45,000.00 to endowment upon the understanding that the income therefrom, at the discretion of the University, may be used for upkeep of the property and payment of any taxes assessed against the property.

It was voted to approve the recommendation and to adopt the resolution. On behalf of the Chancellor, the Vice-President in Charge of Development presented the following recommendation:

It is recommended that the following contributions and grants of $50 or more, made or pledged since the last meeting of the Board, be accepted: (Gifts and pledged money reported to the Board at this meeting aggregate $257,703.65 in the March docket and $116,082.29 in the April docket, a total of $373,785.94)

(The detailed contributions and grants were forwarded to all members of the Board and a copy of the March docket and of the April docket has been attached to the official copy of the minutes of this meeting.)

It was voted that the recommendations as presented be approved.

The Vice-President in Charge of Development submitted the following report:

It is with sincere regret that we report the death of a member of the Citizens Board, Mr. Oliver N. Barrett.

We also wish to report the resignation of a member of the Citizens Board, Mr. Samuel Inzell, Jr.

A meeting of the Citizens Board was held on April 29. The program, "A Positive Program for Conservatives", was presented by W. Allen Hallis of the School of Business, Aaron Director of the Law School, and Milton Friedman of the Department of Economics.

The report was received and ordered placed on file.

The Vice-President in Charge of Development reported that the Council on Medical and Biological Research had organized a drive, to be headed by Mr. John McCaffrey, to raise funds for increasing the salaries of the younger research men and for the development of the medical area. Emphasis will be placed on securing a large number of small contributions instead of a few large ones. It is planned to bring a number of business leaders to the campus during the week beginning May 15th, for lunch and a tour of the laboratories. Printed material showing the University's plans for development in the medical and biological area is being prepared. Solicitation for donations will start the week following May 15th. A meeting of the members of the Council on Medical and Biological Research and of the Board of Trustees of the University, to make final preparations for the fund raising program, is to be held on the evening of April 29th at the Chicago Club. Mr. Williams referred to plans showing medical area construction now planned, and discussed financial and other problems arising in connection therewith.

Following the presentation of the above report, the Chairman spoke enthusiastically of the fund-raising program, and pointed out that it is the first money raising effort to be carried out by the University for development in the medical area. He stated that Mr. McCaffrey was eager to get started with the actual solicitation of funds and urged that the members of the Board of Trustees attend the meeting on April 29th and support Mr. McCaffrey in this program.
