INDEX OF THE 1952 MINUTES OF THE BOARD OF TRUSTEES

PREFACE

Beginning with the 1950 volume the index has been shortened, but will still contain references to all the important items.

The section "Gifts, From" has been omitted; but gifts continue to be listed under the name of the donor. The phrase formerly used "Gift for support of the University" is shortened to "Gift."

If the gift was for a specific purpose that purpose is listed in the index. The volumes before 1950 included a separate list of names of all individuals mentioned. This list has been discontinued as the names are all included in the index. Fg and FgO are listed together as though spelled FgO, as is the custom in large libraries. Many cross references are included to aid the reader in finding the material wanted.

Pages listing gifts are under name of subject as: Biological Sciences, gifts for; Cancer research, gifts for; Divinity School, gifts for; etc.

Under the name of a Trustee are listed all the committees on which the man served during the year.
A

Abbell, Joseph J.
Gift for Law School Alumni Fund

-112-
Pursuant to notice, the regular January meeting of the Board of Trustees was held in the Board Room, 122 South Michigan Avenue, on Thursday, January 10, 1952, at 2 P.M.

There were present: Mr. Bell, in the chair, Messrs. Aldis, Axelson, Benton, Elfer, Cone, Gaylord Donnelley, Douglas, Eaton, Field, Graham, Kingston, McNamara, McKeir, Murray, Packard, Purdy, Quantrell, Romney, Rockefeller, Sherry, David E. Stern, Garth H. Stern, Sulzberger, Swift, Tenney, and R. E. Wilson, also, Messrs. Filley, Harrell, Harrison, Kirkpatrick, Moore, Watkins, and Miss Friedman.

Prayer was offered by Mr. Axelson.

The minutes of the last regular meeting of the Board of Trustees held November 8, 1951, copies of the minutes having been previously sent to all members of the Board, were approved.

The minutes of the meetings of the Committee on Budget held on November 5, 1951, November 19, 1951, December 3, 1951, and December 17, 1951, copies of the minutes having been previously sent to all members of the Board, were approved.

The minutes of the meeting of the Investment Committee held on November 6, 1951, copies of the minutes having been previously sent to all members of the Board, were approved.

The Chairman stated that at a recent executive session of the Board at which no minutes were kept, John L. McCaffrey, on nomination of the Nominations Committee, was elected a Trustee of the University in Class 1, the term of which expires with the annual meeting of the Board in June, 1953, and suggested that action be taken at this meeting formally electing Mr. McCaffrey to the Board of Trustees of the University in the class designated above.

On motion duly made and seconded,

John L. McCaffrey, by the unanimous vote of all Trustees present at the meeting, was elected a Trustee of the University in Class 1, the term of which expires with the annual meeting of the Board in June, 1953.

The Chairman stated that Mr. McCaffrey was out of the city and had expressed his regret at being unable to be present at the meeting.
On the nomination of the Chairman.

It was voted to appoint Mr. John L. McCaffrey as an additional member of the Visiting Committee on Medical and Biological Research, and as an additional member of the Visiting Committee on the School of Business, for the term expiring with the June (annual) meeting of the Board.

(The Committee on Medical and Biological Research as now constituted consists of Mr. Sulzberger, Chairman, Messrs. Randall, Zimmermann, Swift, Gardner H. Stern and McCaffrey—The Committee on the School of Business as now constituted consists of Mr. Randall, Chairman, Messrs. Cone, Donnelley, and McCaffrey.)

The Chairman stated that when the Visiting Committee on the Humanities was created at the October, 1951, meeting of the Board, Gaylord Donnelley was appointed as member, and designated as Chairman, of that Committee upon the understanding that additional members of the Committee would be added as suggested by Mr. Donnelley.

At the suggestion of Mr. Donnelley and on the nomination of the Chairman,

It was voted to appoint the following Trustees as additional members of the Visiting Committee on the Humanities for the term expiring with the June (annual) meeting of the Board:

David B. Stern
Gardner H. Stern
Edward Eagle Brown
Walter P. Paepcke

(The Committee as now constituted consists of Mr. Donnelley, Chairman, Messrs. David B. Stern, Gardner H. Stern, Edward Eagle Brown, and Walter P. Paepcke.)

The Chairman stated that at the November, 1951, meeting of the Board, at the suggestion of the Visiting Committee on the Oriental Institute, it was voted to appoint certain individuals whose names were presented at that meeting, as non-Trustee members of the Committee, subject to their acceptance of the appointment, and that of the persons named, the following had indicated their willingness to date to serve on the Committee, and under the action taken at the above meeting, had thus become non-Trustee members of the Committee:

Visiting Committee on the Oriental Institute, Non-Trustee members of
The Chairman read the following memorial to Mr. Beaven which had been prepared by Mr. Nuveen for presentation at this meeting:

Joseph C. Beaven was born in Burton, Washington, December 13, 1895, the youngest of three sons of the Rev. Samuel William Beaven, a Baptist minister. Although the sons chose different careers, each rose to the top in his particular calling.

The eldest, Albert W. Beaven, entered the Baptist ministry. The next brother, Paul W. Beaven, chose the medical profession. The youngest, Joseph C. Beaven, chose business as his field. His college career was interrupted in the middle of his sophomore year by World War I. He enlisted in the U.S. Air Force, serving as a 2nd Lieutenant. He started his business career as a clerk in the office of the Shinola Company in Rochester, New York, in 1919 and by a spectacular series of business promotions became President of the Standard Milling Company in 1938.

He was elected a Trustee of the University of Chicago July 9, 1942, and of The Baptist Theological Union, April 29, 1944.

He found particular satisfaction in helping others to get the college education which fate denied him and entered into every responsibility with an enthusiasm that was contagious. His infectious smile and his warm personality will be missed as much as his keen understanding and sound judgment. We cannot understand why, but we regret that he was taken from us at the peak of his usefulness and we record our grateful thanks for those years in which we had the benefit of his generous and helpful service and to

Mrs. Robert McCormick Adams
Mrs. James W. Burke
Mrs. Frederick A. Ingalls
Mrs. Erle Lodgin
Mrs. E. Phillip Miller
Mr. Richard E. Schmit
Mr. Gustave Y. Swift, Sr.
Mrs. Joseph L. Valentine

(The Trustee members of the Visiting Committee on the Oriental Institute are: Mr. Aldis, Chairman, Messrs. Goodman, Paepcke, Smith, and Salzburger.)
express our appreciation and sympathy to his family.

The memorial was received and ordered inscribed in the minutes of the meeting and the Secretary of the Board was instructed to send a copy to Mrs. Beaver.

Mr. Axelson, Chairman of the Committee on the Trustees Annual Dinner to the Faculties, presented the following report:

Your Special Committee on the Trustees Dinner to the Faculties reports that a total of 786 people attended the affair last evening at the South Shore Country Club. Twenty-one Active and five Honorary members of the Board of Trustees were present. Many of the guests expressed appreciation and thanks for providing them with a delightful occasion. The addresses by Mr. Cate on behalf of the faculties, Dr. Wilson for the Trustees, and the Chancellor representing the administration were excellent and well received.

On behalf of the other members of the Board your Committee desires to record its appreciation to Dr. Wilson for so ably representing them on the program. Mr. Bell presided in his usual effective manner. Thanks are due Mr. Watkins and Mr. Buck and their staffs for their efficient handling of the many details involved in such a large and successful event.

Respectfully submitted,
C. F. Axelson
Howard Goodman

(January 10, 1952)

The report was received and ordered placed on file, and the Chairman expressed the appreciation of the Board for the very successful affair which the Committee had arranged.

On the recommendation of Mr. Axelson, it was voted that the Secretary of the Board be instructed to write a letter to the Officers and Directors of the South Shore Country Club expressing the thanks of the Board for the privilege of using the Club's facilities for the 1952 Dinner, and for the courtesies extended by the Club in that connection.
Mr. Axelson stated that at the Board of Trustees luncheon meeting at the Chicago Club, which preceded the meeting of the Board, it had been agreed that copies of that part of the address given by Dr. Wilson at the Trustees Dinner which contained an excerpt on the Metallurgy Project written by Dr. Norman Hilberry, should be sent to members of the Board.

The Chancellor thanked the Board of Trustees for the very enjoyable affair given by them on the preceding evening, and stated that the Annual Dinners to the Faculty were deeply appreciated by the Administration and the Faculty.

The Chancellor stated that he desired to review with the Board at this time the academic side of the University. He reported as follows:

The Laboratory School — The School, which meets the budget from $40,000 to $90,000 a year, presents a real problem. The University is meeting little or no use of the School, and unless it can be integrated with the research function and program of the University, as was originally intended, it should be discontinued. At the present time the School cannot handle all requests for enrollment. The current tuition fee is $600 a year; but children of faculty members are admitted at half that charge. Faculty members like to send their children to the School. A Committee, appointed by the Chancellor, is studying the School at the present time and will make report in due course.

The College — The situation with respect to the College is generally satisfactory; however, it does present certain problems. The small enrollment in the first and second years of the College is disappointing. Also the University has not been able to interest other educational institutions in its College program. The high turnover on the faculty is disturbing, and those who leave are too often the best men. Finally, the relationship between the College and the Divisions is not satisfactory, and efforts are being made to achieve again a good working arrangement between them.

The Divisions — The main problem in the Divisions is the Institutes. In the case of the Institutes there is a tendency to bring into a given area such a heavy concentration of facilities and personnel that the work of the Division becomes unbalanced. It is recognized, however, that the University cannot be pre-eminent in all fields and that when an opportunity for development in a given area presents...
itself, it must be taken advantage of.

The Professional Schools - The School of Medicine is of the highest caliber. The Law School is improving, but it will take time to re-establish it as an outstanding School. The School of Business is at a low level and it is necessary also that the function of the School be re-determined. At the same time because of poor health of the Dean efforts are being made to secure a new Dean. The Divinity School is doing a satisfactory job and turning out able young men. The School of Social Service Administration is not doing the research job that it must do. The Graduate Library School has not been functioning properly and serious consideration is being given to incorporating it in the Division of the Social Sciences.

General discussion followed the presentation of the foregoing report.

On the recommendation of the Secretary of the Board, it was voted to accept notice of intention to amend the By-Laws at the February, 1952, meeting of the Board in order to make appropriate changes in the By-Laws prior to their proposed re-printing, reflecting the changes recently effected in the organization of the University.

The Secretary of the Board presented the following report:

In the death of Professors Emeritus of Surgery, died on December 28, 1951, in Chicago. Dr. Phemister, Thomas D. Jones Professor Emeritus of Surgery, established the Department of Surgery in the University's medical center in 1925 and headed it until 1947 when he reached the University's retirement age. From 1947 until his death he served as the Thomas D. Jones Professor of Surgery. Memorial services were held at the Rockefeller Memorial Chapel on December 31, 1951.

The report was received and ordered placed on file.

The Chairman read the following memorial to Dr. Phemister which he had had prepared for presentation at this meeting:

In the death of Dr. Dallas B. Phemister, The University of Chicago suffered a great loss. Dr. Phemister was an eminent surgeon, a productive investigator, and an exceptional teacher. For twenty-six years
the University was the beneficiary of these skills. Notable as these were, however, they did not represent the total of his contribution to the distinction and strength of the University. The existence of his reputation as a physician and the universal respect for his character enabled him to fill a role of singular importance to the University and the cause of medical education in the establishment of a school and hospital devoted primarily to research. His presence on the original faculty of the Medical School and his unwavering devotion to its principles were illustrative in its success. For the faith and devotion with which he served the University, we cherish his memory with warmth and gratitude.

The memorial was received and ordered inscribed in the minutes of the meeting, and the Secretary of the Board was instructed to send a copy to Mrs. Phemister.

Mr. Swift spoke of the early days of the University, of the difficulty that was experienced in establishing the type of Medical School that we have today and of the three great names that played such an important part in the development of the School. In the early 1900s medical students were taught by practitioners who took time off from their practices to give lectures, and our concept of a full-time teaching staff was then unknown. In 1908 the General Education Board and the Rockefeller Foundation agreed to give $1,000,000 each toward a fund of $3,000,000 for a Medical School. A fund of $5,461,500 was subscribed within six months after the campaign was begun. For nearly ten years after the fund was raised little was done toward the establishment of our four-year Medical School. President Burton received activity on both the Medical School and building Rockefeller Chapel both of which he felt had been too long dormant. Plans for the School were completed, the building program was launched, and the needed additional funds (practically doubled) were raised.

The dream of a Medical School on the Midway became a reality. Three great names played an all-prominent part in the establishment and development of the Medical School: Dr. Frank Billings, an outstanding Chicago physician, and nephew of Albert Merritt Billings, was one of the leaders in founding and organizing the School; President Burton whose energy and administrative genius were responsible for bringing the School into existence at that time, and determining the pattern of its development; and Mr. Charles N. Phemister who gave up a lucrative private practice in 1905 to work with President Burton in every detail above professional competence was of utmost importance and later to establish the Department.
of Surgery in the University's Medical center, and without whose help Dr. Burton could not have succeeded in his program.

The Vice-President and Dean of Faculties reported relative to Atomic Energy Commission fellowship awards for next year as announced in a recent issue of the Oak Ridge News Letter. All awards were made on the basis of competitive placement by the national committees on these fellowships in accordance with the standards established by the committees. A total of 343 persons were given fellowships. The awards were mainly in Physics and Chemistry with a lesser number in the medical sciences. A total of 69 fellowship awards were made to University of Chicago students, of which 47 were predoctoral and 2 were post-doctoral awards. Of the 69 awards, 20 were renewals and 29 were made for the first time. Our students received 15 per cent of all A.E.C. fellowship awards in all fields.

The Vice-President and Dean of Faculties dismissed the 1952-53 Budget. He stated that in view of the fact University reserves are almost depleted, the administrative officers were confronted at the beginning of the year with the necessity of bringing the budget into balance. To do this in one year would involve a reduction in the 1952-53 Budget of approximately $1,000,000 from the 1951-52 Budget. Such a reduction would involve a too drastic curtailment of University activity and it was decided by the administrative officers to recommend to the Budget Committee that the attempt be made to bring the income and expenditure parts of the budget into balance in two years. An effort is being made to achieve a budget reduction of approximately $425,000 (or 5 per cent) for 1952-53, and a balanced budget in 1953-54. The Deans and administrative officers are cooperating in this effort and unless there is a decrease in University income next year it is anticipated that budget objectives will be realized.

General discussion of budget matters followed the presentation of the foregoing report.
The Secretary of the University presented the following recommendation:

It is recommended that the following contributions and grants of $25.00 or more, made or pledged since the last meeting of the Board be accepted (Gifts and pledged money reported to the Board at this meeting aggregate $271,953.27 in the November Docket and $464,421.62 in the December Docket):

(The detailed information concerning contributions and grants shown in the November and December Dockets was forwarded to all members of the Board and a copy of the November and of the December Docket has been attached to the official copy of the minutes of this meeting.)

**Monthly Summary of Calls**

- July 26
- August 5
- September 12
- October 6
- November 27
- December 13
It was voted to approve the recommendation as presented.

The Comptroller reported that the firm of Scovell, Wellington & Company which had been engaged to examine the accounts of the University (including Argonne National Laboratory and The Baptist Theological Union) for the year ended June 30, 1951, had given a report which showed all funds properly accounted for. He stated that a copy of this report had been sent to the members of the Budget Committee and to the members of the Committee on Accounting Practices. The report was received and ordered placed on file.

The Comptroller presented report entitled, "Summary - New Appointments and Changes in Appointments whose salaries exceed $5,000 per annum made and accepted during the period October 1 through December 31, 1951." He pointed out that the summary figures in the report should not be interpreted as showing the net effect of new appointments, resignations, etc. on the University budget, inasmuch as many of the changes affected Government contracts and other sponsored projects. (Copy of the foregoing report is attached to the official minutes of this meeting.) The report was received and ordered placed on file.

The Chairman stated that the purpose of the Comptroller's Quarterly Report which had just been presented is to keep the Trustees informed concerning appointments. He pointed out that the preparation of the report involves considerable work on the part of the Comptroller's office, and raised question as to whether the Trustees thought the report served a useful purpose and should be continued. The opinion was expressed that the report helped keep the Trustees in touch with University affairs and should be continued, but that there was no objection to simplifying the form of the reports. The Chairman suggested that the Comptroller develop a somewhat less elaborate report which would give essential information and submit same to the Board or Budget Committee for consideration.
Mr. Benton reported concerning the meeting of the Board of Directors of Encyclopedia Britannica, Inc., that had been held in Chicago on the preceding day. He stated that Mr. Shevrin had been elected a Director to fill the un­expired term of Mr. Beavan. The estimated net profits of the parent company for 1951, before taxes, is $1,650,000. Sales in 1951 were up 27 per cent over the preceding year, and it is anticipated that sales in 1952 will be 15 per cent over 1951. The new president, Robert C. Freylik, is doing an excellent job. Encyclopedia Britannica printing is to be published by the Kingsport Press, Kingsport, Tennessee. Encyclopedia Britannica Films, Inc., operated “in the black” during the last year. The press business of the company is growing tremendously. The recent British printing of Britannica is the largest single printing project ever undertaken in England.

The Great Books are to be introduced at a dinner in New York, to be given on or about April 15, 1952, to which all purchasers of the “Patristic” edition of the Great Books will be invited. Of the 500 sets of the edition printed, 450 were sold. The revenue from the sale about equals the expenses, and the only “profit” consists of an overrun of about 2,500 sets of printed sheets with the Company hopes to be able to sell. Mr. Benton extended an invitation to the Trustees to attend the April 15th dinner.

The Business Manager—Special Projects reported concern­ning new construction now in progress on the campus. Although the weather has been unfavorable the work is going ahead. The delivery of stone for the Argonne Cancer Research Hospital was delayed by a fire in the stone yard. Most of the stone required for the building is now at hand. The foundations and backfilling for the Charles Gilman Smith and Gertrude Dunn Hicks Hospitals were completed before the bad weather set in and work on the basement floor is in progress. The construction of the new hospital unit required an extension of the sewer system on Drexel Avenue from Fifty-seventh Street to Fifty-ninth Street. The sewer extension is about 50 per cent completed. The new fireproof dormitory for the West Newton Orthogenic School has been completed and all students except six boys are now in the new unit. The fireproofing of the old dormitory section is now in progress.

Adjourned at 3:30 P.M.

 Secretary
I. New Appointments:

- Academic:
  - Associate Professor: 3, $12,000
  - Research Associate: 3, $19,200
  - Visiting Professor: 4, $31,000
  - Spousal Analyst: 1, $4,000
  - Director Local Community Research Project: 1, $5,700
  - Electrical Engineer: 2, $7,733.28
  - Engineer: 3, $10,000

- Nonacademic:
  - Assistant Professor to Research Associate: 1, $5,700
  - Associate Professor to Research Associate: 1, $5,700
  - Professor to Research Associate: 1, $5,700

II. Leave of Absence:

- Academic: 16, Total: 105,600, Average: 6,537.75

III. Resignations:

- Academic: (Continued)

IV. Promotions:

- Academic:
  - Professor to Professor & Director Rural Education Services: 1, $24,000
  - Assistant Professor to Associate Professor: 2, $18,000
  - Examiner & Instructor to Examiner, Instructor & Research Associate: 1, $18,000
  - Professor to Professor & Chairmen, English Department: 1, $31,000
  - Assistant Professor to Assistant Professor & Secretary English Dept.: 2, $31,000
  - Predoctoral Fellow to Physicist: 1, $5,700
  - Technician & Physicist to Senior Physicist: 1, $5,700
  - Technician & Physicist to Chief Physicist: 1, $5,700

- Nonacademic:
  - Asst. To Vice Pres. Publ. Relations to Dir. Med. & Biological Develop.: 1, $600

V. Salary Increases:

- Academic: 24, Total: $18,145, Average: 755.63

- Nonacademic: 6, Total: $2,580, Average: 430

VI. Salary Decreases:

- Academic: 2, Total: $10,750, Average: 5,375

- Nonacademic: 1, Total: $1,700, Average: 1,700

VII. Reappointments without change in salary:

- Academic: 4

* Date shown in this column is expiration date of new appointment.

The University of Chicago
Office of the Comptroller
January 4, 1952
Pursuant to notice, the regular February meeting of
the Board of Trustees was held in the Board Room, 122
South Michigan Avenue, on Thursday, February 14, 1952,
at 2 P.M.

There were present: Mr. Bell, in the chair, Messrs.
Aldis, Axelson, Brown, Cone, Douglas, Goodman,
Livingston, McCaffrey, McConnell, Sherer, Smith,
G. H. Stern, Delabegerre, Swift, Ranney, and E. L.
Wilson, also, Messrs. Cunningham, Filbey, J. P.
Harrison, Kirpatrick, Moore, and Watkins.

Prayer was offered by Mr. Sherer.

The Chairman welcomed to the privileges and responsibil-
ities of membership on the Board, Mr. John L.
McCaffrey, who was elected a Trustee at the meeting of
the Board held January 30, 1952.

The minutes of the last regular meeting of the Board
of Trustees held January 10, 1952, copies of the
minutes having been previously sent to all members of
the Board, were approved.

The minutes of the meetings of the Committee on Budget
held on January 7, 1952, January 21, 1952, and
February 4, 1952, copies of the minutes having been
previously sent to all members of the Board, were
approved.

On nomination of the Chairman,

It was voted to appoint Mr. Ranney an addi-
tional member of the Visiting Committee on
Student Interests, for the term expiring
with the June (annual) meeting of the Board.

On recommendation of the Chairman,

It was voted to approve the appointment by
Mr. Aldis, in accordance with authority given
him at the January 21, 1952, meeting of the
Budget Committee, of Messrs. Ryerson and
Smith as additional members of the newly con-
stituted Committee on the Citizens Board.

The Chairman designated Mr. Aldis as Chair-
man of this Committee.
On the recommendation of the Chairman,

It was voted to instruct the Treasurer to vote the preferred stock of Encyclopaedia Britannica, Inc., in person or by proxy at the annual meeting of said corporation to be held in April, 1952, or at any adjournment thereof, for the election of Messrs. Paepcke, Sherer, and Stuart, as the three directors to which the preferred stock is entitled under the By-Laws of the corporation.

The Chairman raised question as to whether in view of the removal of the Treasurer's Office to the First National Bank building on or about April 28, 1952, the Trustees, as a matter of convenience, desire to hold Board and Committee luncheon meetings at the Mid-Day Club.

In the discussion that followed, it was the consensus that such luncheon meetings should be held at the Mid-Day Club.

The Chairman presented the following report and recommendations:

As the Chancellor indicated in his speech at the inauguration dinner, the area problem is one of first priority to the University. The Chancellor, however, has been troubled about how to begin to take action. There are at least three organized groups in the area with marked differences in viewpoint. One is in the Woodlnwn area which grew up in the days of restrictive covenants, another including the hotels and large apartments in the Hyde Park area. The third is a group of about 1,500 smaller property owners under the leadership of Dr. Pennington. This group has all shades of opinion from radical to conservative. It is active and has almost fifty blocks organized for protecting and improving their condition. All three want the University to take a strong lead in dealing with the forces which threaten to deteriorate the whole area, including that immediately around the University.
The only practicable approach as the Chancellor and I see it is for us to try to get together an entirely new group composed of the more stable elements of the existing groups and make a fresh start. In order to "break ice" the situation, we suggest a fairly radical step. This would be to enlarge the present Area Committee and in order to indicate the seriousness with which the University approaches the problem to make the Chairman of the Board the chairman of the Committee. In addition to an increase in the number of Trustee members, it might prove valuable to include on the Committee, for counseling purposes, some of the local residents. While it is not at all clear to me what such a new committee can do immediately, I have a hope that such a committee will encourage the University's determination to work something out. We should study what common interests we can draw from the existing groups and formulate a policy based on the lowest common denominator of interests. I have a hope that such action will give courage to those now who consider their situation hopeless and in time lead to a revitalization of the area.

I recommend that the Chairman be authorized to increase the membership of the Area Committee and make the other organizational changes in the Committee indicated above.

Following discussion, Mr. Vice-President in Charge of Business Affairs pointed out steps now being taken to coordinate the activities of certain local civic groups.

It was voted that the recommendation as presented be approved.

(The Chairman advised the Secretary of the Board following the meeting that he had appointed Messrs. McCaffrey, Rockefeller, Sette, and Sulzberger, as additional members of the Area Committee. The membership of the Committee as now constituted is as follows: Messrs. Aldis, Emissary, Rockefeller, Sette, and Sulzberger.)

Mr. Aldis, Chairman of the Committee on the Citizens Board, gave a report on behalf of the Committee. He stated that there had been two meetings of the Citizens Board in 1951, and that no meetings of the Board had been held this year to date. The Committee plans to have a Citizens Board meeting about the middle of March, with an outstanding speaker, and to have two other meetings during the spring. A review of the
The membership of the Board indicates that a number of members have retired or left Chicago, and it is desirable that new members be added, with emphasis on younger men. It is suggested that the Trustees give the Committee the names of prospective members. The Committee plans to submit recommendations for new members at the March 3rd meeting of the Budget Committee, and to invite the prospective new members to the March meeting of the Citizens Board. It is planned also to invite other members of the group and their families to attend to appropriate campus events. He suggested that the Chancellor's Office keep the Committee informed of outstanding people temporarily on campus who would make appropriate speakers for Citizens Board meetings. He stated that he is making a report to the Chairman with respect to the proposed organization of the group. He pointed out that in the past the University has borne the cost of Citizens Board luncheons, and stated that while the Committee does not propose to charge the members of the group for the March luncheon it does recommend that a charge be made of those attending subsequent luncheons, the University possibly absorbing the cost of the luncheons in excess of a certain amount.

Following discussion,

It was voted to accept with thanks the report of the Committee on the Citizens Board with the exception of the recommendation that the members of the Board pay for all or part of the cost of their own luncheons.

Mr. Swift, Chairman of the Committee on Government Contracts, presented the following report on behalf of the Committee:

I should like to report for the Committee on Government Contracts.

The Committee works under the theory that it is a committee on policy rather than on operations and that operating management is left to the administrative officers of the University. The Committee conceives of its work in two categories:

1) Acceptance of the responsibilities of the Board in providing guidance to the officers (not acceptance of the duty to act for and to advise the Board) on policy matters involving classified projects. These are projects which include or may include aspects that for reasons of national security must be made known only to individuals who are...
Board of Trustees authorized by security clearance to receive such information.

2) The making of periodic reviews of unclassified as well as of classified projects, to consider the effects of such projects on the University as a whole, and to advise the officers and the Board when there are questions as to the amount, nature or extent of such programs. My report for the Committee is divided roughly in line with these two functions.

The Government classifications as to its work are Top Secret, Secret, Confidential, Restricted, and Unclassified. Each Classified project is classified in accordance with the highest degree of security restriction within the project, although part, or even most, of the work within the project may be open or unclassified.

For Top Secret and Secret projects the members of the Committee and of the administrative staffs must be cleared by the Government to handle these matters. The members of the Committee have been so qualified. Thus, the members of the Committee are in possession of some information which they are not permitted to divulge to other Board members who are not similarly qualified.

The main projects in Category I are:

A. Management of the Argonne National Laboratory for the Atomic Energy Commission (Alco)
B. The Institute for Air Weapons (Bartky)
C. The Chicago Midway Project. (Hogness)

During this fiscal year your Committee has had three meetings devoted to the work in this first classification. The first of these, on October 31, 1951, was at the Argonne Laboratories in Du Page County where we met with the chief administrative officers of the Laboratory and later inspected as much of the plant as time and energy would permit in one busy afternoon.
Two meetings, on January 11 and January 31, 1952, were devoted to discussion of the terms of contract renewal with the Atomic Energy Commission. This contract has now been agreed upon for a four year period closing on June 30, 1956. Although this contract provides for overhead payment to the University on a basis somewhat below that expected, other aspects of the new arrangement are more favorable than heretofore. In the whole, the members of the Committee and the Officers of the University who carried the burden of negotiation are satisfied with the result.

The Committee devoted one meeting to consideration of Government Contracts in the Unclassified Group. In this group there were over 200 projects on which expenditures of approximately $3,300,000 were made in 1950-51. It is of interest to note that special projects expenditures supported by individuals and agencies other than governmental totaled $2,066,000 for this same period.

The University’s total expenditures in 1950-51 for the Regular Budget, including Auxiliary Enterprises, and including grants from sources other than Government amounted to approximately $25,630,000, of which 12.5 per cent was from Government sources.

A word should be said about the nature of these unclassified projects. Many of them provide financial support for research that the scientists would expect the University to charge against the regular budget if outside financing were not available. The general pattern for government support of basic research by educational institutions was set by the Navy with the advice of Dr. Warren Weaver of the Rockefeller Foundation, from Hewett of the American
Telephone and Telegraph Research Laboratories, and other scientists who insisted that the Armed Forces of the United States had some responsibility for keeping basic scientific research strong in the United States rather than again permit leadership to pass to European institutions. It was this motivation that prompted the organization now known as the Office of Naval Research to make substantial grants to universities in support of work under the direction of outstanding scientists. Chicago's strength in the sciences has attracted substantial support. There has been no interference with the conduct of this work. It is also of interest to note that a number of the contracts, initially written on a short term basis, are still in effect, with present commitments extended as far as June 30, 1956, thus relieving the uncertainties of year by year planning.

The standards set by this agency have definitely influenced other branches of the Government, although it must be said that not all are as ably administered from the point of view of basic research. It is hoped that the administration of the Office of Naval Research will directly influence the practices of the National Science Foundation as research funds are made available to it.

In this second category of unrestricted research the University has current contracts with:

- The Office of Naval Research
- The Army
- The United States Public Health Administration
- The Air Force
- The Atomic Energy Commission
- The Department of Agriculture
- The Reconstruction Finance Corporation
- The Department of Commerce
- The Department of State
- The Veterans Administration
- And Others

So that there can be no misunderstanding, I think I should say that while this report has mentioned the three secret projects upon which we are at work, the financial implications of these have not been included. If they were included, and other non-secret government work (as mentioned) was added to those totals, the figures for all Government work would be greatly in excess of the University's regular budget, as given at $17,264,918.
We have not included financial figures for the three secret projects. It should be borne in mind, however, that the administration of these projects requires substantial effort on the part of administrative officers and other staff members of the University.

I believe that I speak also for the other members of the Committee when I say that in our view the officers of the University have administered these Government contracts with discretion and that our scientists are conducting this work in a manner that furthers the National Interest without impairment of the University's long term teaching and research interests.

Respectfully submitted,
Edward Eagle Brown
Henry F. Tenney
Robert E. Wilson
Herbert P. Zimmermann
Harold H. Swift, Chairman

It was voted to accept with thanks the report of the Committee on Government Contracts.

Mr. Bell stated that all but one or two of the Trustees present at the meeting had been at the Board luncheon which preceded the meeting and had heard Mr. Swift discuss the early days of the University. He stated that he had not been able to finish his discussion, and requested him to continue at this time.

Mr. Swift spoke further concerning the early days of the University. In concluding, he drew a parallel between the critical financial situation which President Judson faced upon assuming leadership of the University, and the situation now faced by Chancellor Kimpton.

The Chairman thanked Mr. Swift on behalf of the Trustees for his interesting and informative discussion.

The Chairman stated that the Chancellor is visiting alumni groups and potential donors in the west, and that his docket will be presented by the Vice-President and Dean of Faculties.
The Vice-President and Dean of Faculties in accordance with notice given at the January meeting of the Board presented certain proposed amendments to the By-Laws of the University, copies of which had been sent to members of the Board prior to the meeting.

Following discussion, in which certain minor changes in the proposed amendments to the By-Laws as presented were approved,

It was voted that the following amendments to the By-Laws of the University be adopted (new material is underlined; material to be deleted is in brackets):

IV. Officers

1. In General

a) The officers of the corporation shall be:

Chairman of the Board of Trustees
First Vice-Chairman of the Board of Trustees
Second Vice-Chairman of the Board of Trustees
Chairman of the Investment Committee
Chancellor of the University
President of the University
Vice-President and Dean of Faculties
Vice-President in Charge of Business Affairs

One or more additional Vice-Presidents

Secretary of the University

Treasurer
One or more Assistant Treasurers

Comptroller
One or more Assistant Comptrollers
Secretary of the Board of Trustees

One or more Assistant Secretaries of the Board

Business Manager (Special Projects)

Business Manager (Campus Operations)

One or more Assistant Business Managers
JilO - Board of Trustees
February 14, 1952

3. The President, the Vice-President, the Secretary of the University, the Business Manager, and Assistant Business Managers shall be nominated by the Chancellor, the Treasurer and Assistant Treasurers by the Investment Committee, and the Comptroller and Assistant Comptroller and Secretary of the Board and Assistant Secretaries of the Board by the Budget Committee.

4. The Vice-Presidents and the Secretary of the University

b) The Vice-President and Dean of Faculties shall assist the President in the academic administration of the University. In the case of a vacancy in the office of President or his inability to serve the Vice-President and Dean of Faculties shall have the power and perform the duties of the President.

c) The Vice-President in Charge of Business Affairs shall, under the direction of the Chancellor, have charge of the management of the physical plant and the administration of the business affairs of the University, other than in connection with investment and investment properties.

d) The Secretary of the University shall be in charge of Public Relations and Development under the direction of the Chancellor, and shall perform such duties as may be prescribed by him.

The Vice-President and Dean of Faculties thereupon presented certain proposed amendments to the Statutes of the University, copies of which had been sent to members of the Board prior to the meeting.

Following discussion, in which certain minor changes in the proposed amendments to the Statutes as presented were approved,

It was voted that the following amendments to the Statutes of the University be adopted (new material is underlined; material to be deleted is in brackets):

STATUTES

3. The University Press is responsible for the publication and distribution of books and journals issued under the imprint of the University. The Press is comprised of the Publication and Printing Divisions. The Editor of the Press shall be in charge of the Publication Division and with the assistance of the Manager of Publications shall have general responsibility for publication as well
The Editor shall be subject to the jurisdiction of the Board of University Publications as provided in Statute 14, Article IX, and shall be responsible through the Business Officers of the University to the Vice-President in Charge of Business Affairs.

The University Clinics include the Albert Mer­ritt Billings Hospital, the Bobs Roberts Memorial Hospital for Children, the Country Home for Convalescent Children, The Chicago Lying-In Hospital and Dispensary, Max Spada Dispensaries, and the Max Spada Dispensaries. The Argonne Cancer Research Hospital is operated by the University for the Government in conjunction with the hospitals and clinics here mentioned.

The [Central Administration] Office of the Chancellor of the University shall consist of:

a) The Chancellor, who shall be the principal officer of the University (and head of The Central Administration),

b) The Secretary of the University, who shall be in charge of Development and Public Relations,

c) Such other officers as shall from time to time be recommended by the Chancellor and ap­pointed by the Trustees.

It shall be the duty of the Chancellor to organize and distribute the responsibilities relating to the management of the University among the above officers [of The Central Administration].

7. a) The President of the University is responsible to the Chancellor for the educational operations of the University. He conducts the internal educational administration of the University; supervises the Dean of the Schools, Divisions, and Colleges and the Dean of Students; arranges and approves work, vacations, and extra vacation credits for mem­bers of the Faculties; and arranges full-time appoint­ments. The President shall perform such other duties as may be prescribed by the By-laws, the Statutes, the Chancellor, or the Board of Trustees.
7. b) The Vice-President and Dean of Faculties cooperate with the President in the conduct of the internal educational administration of the University, in the supervision of the Dean of the Schools, Divisions, and Colleges and the Dean of Students; in the arrangement and approval of work, vacations, and extra vacation credits for members of the Faculty; and in the arrangement of part-time appointments. He is also responsible to the President for the supervision and operation of the University.

8. The Deans - Each School, Division, and College has a Dean. The Deans, the Schools, and the Colleges each shall have at least one Dean. Each Dean administers his School, Division, or College under the supervision of the President and the Vice-President and Dean of Faculties; and is empowered to act as the executive officer and representative of his Faculty, and, with regard to educational policy, to take the initiative in proposing plans to the Faculty, and to carry into effect plans adopted by the Faculty.

When the Dean of a Division, School, or College is to be appointed, the Faculty shall elect a committee whose duty shall be to confer with the Chancellor or the President or the Vice-President and Dean of Faculties, ascertain the suggestions and preferences of the Faculty members, and make a list of candidates. The Dean shall be appointed by the Chancellor under such regulations as may be adopted from time to time by the Board after the Chancellor has requested and received suggestions from the committee concerning their list of candidates and the list he himself has under consideration. Each member of the Faculty shall have the privilege of communicating his preferences or objections of candidates directly to the Chancellor, the President, or the Vice-President and Dean of Faculties, or to the members of the committee. The period of appointment of a Dean shall be five years, and at the end of each period the appointment shall be reviewed in the manner prescribed for the original appointment.

9. Dean of Students of the University. - In addition to the Deans provided for in the foregoing statute, there shall be a Dean of Students of the University. Under the supervision of the President and the Vice-President and Dean of Faculties, he coordinates the University's relations with students, including admissions, recording and reporting, health services, physical education and athletics, the residential and social supervision of residence halls and club houses, the direction of social affairs, the control...
of student organizations and publications, vocational guidance and placement, student aid, the administration of fellowships and scholarships, and the student advisory service in the College, the Divisions, and the Schools. He is an ex officio member of all committees on the curriculum in the College and the Divisions, and the Schools.

12. Directors - The University Library [and the University Press are each] is under the general charge of a Director. Under the appropriate dean, [the University Clinics,] the Observatory, and the Institutes are each under the general charge of a Director. Under the supervision of the Dean of Students there are a Director of Men's Physical Education and Athletics, a Director of Women's Physical Education and Athletics, and a Director of the Student Health Service.

13 (a). The Members of the University Faculties are classified as follows: [the] Professor, [the] Associate Professor, [the] Assistant Professor, and [the] Instructor. Every person holding one of these titles shall be a member of the Faculty with status as defined in this Statute.

14. The Organization and Powers of the University Senate and the Ruling Bodies.

General Statute
All advisory, legislative, and administrative powers in the University concerning its educational work, except those vested in the Chancellor [or the President] by the Board of Trustees, shall be exercised by, or be under the authority of, the Ruling Bodies specified in this Statute, according to their respective jurisdictions as herein defined.

Article II. Provisions common to Several Ruling Bodies.
Section 1. Constitution -

a) Research Associates, Lecturers, and Assistants who are appointed for at least one year to give instruction, teaching in the College, in a particular School, Division or College, may attend the meetings and take part in the deliberations of its Faculty, but shall not vote.

b) The Chancellor shall be the presiding officer of each Ruling Body or, if he be not present, the President, an Academic Vice-President, the Dean of Faculties, or a Dean or other member of the Ruling Body may be appointed by the Office of the Chancellor to serve in the Chancellor's stead.
Article III. The University Senate
Section 1. Constitution - The Senate shall consist of: (a) Professors; (b) Associate Professors; (c) Assistant Professors who have completed three years' full-time service on academic appointments; (d) the Chancellor; (e) the President; (f) the Vice-President; and (g) the Dean of Faculties and (h) the Assistant to the Chancellor.

Article IV. The Council of the University Senate
Section 1. Constitution - The Council of the University Senate shall consist of fifty-one elected members chosen by the Senate from its membership by the same system of proportional representation. The Chancellor, the President, and the three officers selected by the Chancellor from the Vice-Presidents and the Dean of Faculties shall be members ex officio. Dean of Faculties shall be members without vote, save that one of them may vote to break a tie. These officers shall be elected as Chairman or Vice-Chairman in the order listed and if none of these be present another academic Vice-President or a Dean of a Division shall preside. The elected members shall serve for a term of three years from November 1, and shall be ineligible for re-election until after the lapse of one year. Nominations shall be made and elections shall be held in October of each year (except the first election, which shall be held in May, 1945). Candidates shall be placed in nomination by three or more members of the Senate. On the election of the members of the Council in 1945, the seventeen members having the highest number of first choices shall hold office until October 31, 1948; the seventeen having the next highest number of first choices shall hold office until October 31, 1947; and the remaining seventeen shall hold office until October 31, 1946. In case of tie, the selection of term shall be by lot. Nominations shall be made and elections shall be held each year to elect new regular members to serve for a term of three years from November 1, to replace the seventeen whose terms expire in October 31. Candidates shall be placed in nomination by three or more members of the Senate. The retiring members, regardless of the length of term served, shall be ineligible for re-election until the lapse of one year. Vacancies shall be filled, in accordance with the Rules of Procedure of the Council, at the time of the annual election.
Section 3. Jurisdiction and Powers -

a) The Council shall be the supreme academic body of the University having all legislative power except as to matters reserved to the Board of Trustees, the Office of the Chancellor, (the President) or the other Ruling Bodies, in particular, it shall have such jurisdiction over (1) matters affecting more than one Ruling Body, and (2) any action of any Ruling Body which substantially affects the general interest of the University. Questions of jurisdiction between the Chancellor and the Council shall be decided by the Board of Trustees. Questions of jurisdiction between the Council and other Ruling Bodies shall be decided by the Chancellor. The competence of the Council shall extend to the Institutes, the laboratory School, and other educational and research organizations of the University not defined as Ruling Bodies and not subordinate to a Ruling Body in the same way that competence applies to the Ruling Bodies.

Article V. The Committee of the Council

Section 1. Constitution - The Committee of the Council shall consist of seven members of the Council chosen annually by the Council by the Hare System of Proportional Representation. Deans shall not be eligible for election to the Committee. Members of the Committee shall be eligible for re-election provided they are members of the Council. The Chancellor and the President shall be members of the Committee, without vote, and shall be Chairman and Vice-Chairman respectively. Vacancies in the elected membership shall be filled as provided by the Council. The Committee shall elect a spokesman who shall be the channel of communication between the Committee and the Council.

Section 2. Powers - The Committee may concern itself with all matters of educational policy within the jurisdiction of the Council. All matters to be presented to the Council for action shall first be laid before the Committee, which shall report its opinion upon them to the Council through [such] its spokesman [as it may select]. At the Committee's request it may meet with the appropriate committee of the Board of Trustees.

Section 5. Subcommittee of the Committee of the Council shall be appointed by the Chancellor in consultation with the spokesman.
Article VI. The Faculties of the Divisions
Section 2. Jurisdiction and Powers —
1) The Faculty of each Division shall have control of the work of the Division, and of recommending candidates for the Master's and Doctor's degrees, and for the Bachelor's degree in the Division of the Physical Sciences (and in the Division of the Biological Sciences) with the jurisdiction and powers defined in Article II, Section 2.

Article VII. The Faculties of the Schools
Section 1. Constitution — The Faculty of each School shall consist of:
   a) The Chancellor,
   b) The President,
   c) A Vice-President,
   d) The Dean of the School,
   e) The Dean of Students,
   f) The Director of the University Library,
   g) The Dean of Students,
   h) The University Examiner,
   i) Officers of Instruction, as defined in Article II, Section 1, a and b, in each School.

Article VIII. The Faculty of the College
Section 1. Jurisdiction and Powers — The faculty shall have control of the work in the College and of recommending candidates for the Bachelor's degree (of A.B. and Ph.B.) with the jurisdiction and powers defined in Article II, Section 2.

Article IX. The University Boards
Section 2. Constitution — The various Boards shall consist of the following members:
   a) One other member of the [Central Administrative Office of the University]

Article X. Departments
Section 2. Powers and Organization —
1) In the case of a large department, a secretary shall [ordinarily] normally be appointed by the Chancellor from the department to aid in the work of administration.
15. The academic year is divided into four quarters, beginning with the Summer Quarter. The Autumn Quarter begins about October 1 and continues until the Christmas recess. The Winter Quarter begins about January 2 and continues twelve weeks. The Spring Quarter begins approximately a week after the end of the Winter Quarter and continues twelve weeks. The Summer Quarter begins after the Spring Quarter and continues ten weeks. [It is divided into two terms.]

16. Work and vacations for members of the Faculties.

Each member of the Faculty during each appointive year shall perform service (in instruction, research, and other activities) as may be recommended to the appropriate organs and approved by the Chancellor. Work under such arrangements shall be considered to be service in residence, and shall normally be performed within the University, but such service may be rendered outside the University when recommended by the Dean and approved by the Chancellor. Periods of freedom from assignment, when extended to one quarter or more, are considered to be out of residence unless otherwise specified in the regulations.

(a) Three-quarter appointments.

Each Faculty member under this type of appointment shall perform service in residence during three quarters of his appointive year only as may be recommended by the appropriate organs and approved by the Chancellor. Compensation for such service is payable in twelve equal monthly installments annually, with the approval of the Chancellor of a member of a faculty may during a period not exceeding these years serve not to exceed nine quarters without regard to the number of quarters of service in a given appointive year.

Accumulated "out of residence" status. - Instruction given in a quarter or term, in excess of three required quarters of any year, shall entitle a member of a Faculty to be considered by the Chancellor to (1) incur an appropriate increase in the rate of salary paid when the extra instruction was given; (2) be paid, pro rata, during the extra instructional term, or (3) an extra two-thirds of the regular salary, payable during the period of the extra instruction, except that in the case of members of the Faculty of a rank below that of Assistant Professor, an increase in base salary may be made with the concurrence of the Dean and the Chancellor.
with reference to extra accumulation of "out of residence" status, the following limitations are to be observed:

1. Authority for the accumulation of extra leave on "out of residence" status by a member of a Faculty, up to a maximum of eight months, shall be vested in the Chancellor.

2. The accumulation of such extra leave in excess of eight months shall be permitted only by action of the Board of Trustees.

(b) Four quarter appointments. When certain types of continued service are required, a member of the Faculty may be appointed to serve during the four quarters (or equivalent thereof) of the academic year. Compensation shall be in twelve equal monthly installments. For persons appointed on this basis, the provisions of section (a) of this statute with reference to "out of residence" privileges shall not apply. The different types of four quarter appointments provided for are designated below by the symbol used in budget and appointment forms.

1. 4:4 Four quarter appointments requiring full-time service in each quarter generally for Research Associates in full-time employment in research, may be given, when required by special circumstances, in the case of members of the Faculty assigned to teaching or administrative duties through four quarters of the year. Persons receiving this type of appointment shall be entitled to four weeks of vacation annually.

2. 4:4t This type of four quarter appointment is provided for members of the schools of the College and clinical departments of the School of Medicine. Appointments are subject to the divisional regulations in full-time service. In the classrooms, laboratories and clinics, as may be approved by the Dean, it is required throughout the appointive year, except that the appointee is entitled to four weeks of vacation annually. Fees charged for professional consultation and service outside the University, including income received for professional consultation and service outside the University.
Members of a Faculty who accept appointment under these conditions, and who have served thereafter eleven quarters or longer in the rank of Assistant Professor, or higher, shall be entitled for each such eleven quarters of service to one full quarter out of residence, with pay at the salary in force when such leave is taken, except that under no circumstances may a member of the Faculty accumulate more than two quarters of leave in "out of residence" status, when a second quarter of such leave has been accumulated, no further accumulation is permitted until at least one full quarter of such leave has been taken.

3. Any type of appointment is provided for members of the Faculty on full time service but not assigned through four quarters to teaching, to clinical duties in the School of Medicine, or to administrative responsibilities, except that it shall be available to Chairman, Deans and Members of the staff of the central administrative offices and shall be normally required for such officers. Vacations will normally be four weeks annual.

Members of the Faculty and administrative officers under such full time appointment are in residence during four quarters of the appointive year unless out of residence status is approved by the Chancellor. It is expected that members of the Faculty on appointment will have one quarter of such appointive and free from teaching or administrative duties to advance his research or other scholarly endeavor. All earned income in excess of $500 per annum, earned at any time within the appointive year, aside from University salary, shall be paid or credited to the University.

19. Retirement allowances: 1. Any person in the service of the University and sixty-five years of age who holds the position of Chancellor of the University, President of the University, Director (or Associate Director) of the University Library, or Registrar of the University, and who has been for a period of fifteen years in the service of the University (in a rank not lower than Assistant Professor) and any person in the service of the University and sixty-five years of age, who has been, for a period of fifteen years in a rank not lower than Assistant Professor, a member of the teaching staff of the Divisions of Arts, Literature, and Science,
the Divinity School, the Law School, the School of Business, the School of Social Service Administration, the Graduate Library School, or the College. College, the Divinities of College shall retire from the active service of the University at the end of [his] the appointive year in which his sixty-fifth birthday occurs, unless the Board of Trustees specially continues his service [retention in service after the age of sixty-five shall be as a rule be for one year at a time or an annual allowance to be computed as follows: \ldots]

23. Fellowships - The Fellowships of the University are assigned on the ground of proficiency already attained in a given department. The Fellow whose stipend exceeds $1,000 is not permitted while holding a fellowship to do work of any kind for which he receives remuneration, without the permission of the Dean of Students.

The Vice-President and Dean of Facilities reported that Dean Ward of the College desires to appoint William C. Bradbury, an Assistant Professor of Social Sciences in the College, as an Assistant Dean. He stated that the appointment would be in violation of the University Statute which limits the term of appointment of Assistant Professor to six years, but that under the circumstances of this case he and Chancellor Kimpton recommend that the appointment be approved as an exception to the general rule. He stated that other exceptions had been made to this rule by the Board in meritorious cases.

It was noted that the recommendation as presented be approved.

The Vice-President and Dean of Facilities stated that the Board and Budget Committee had given considerable attention during the past year to the financing of the Round Table. No provision for the Round Table was made in the 1951-52 Budget. Dean Tyler has assumed the responsibility of providing current operational costs. Mr. Probst, Executive Secretary of the Radio Office, has made a recommendation to the Barrows Lecture Committee that it authorize an expenditure of $4,000 from the Barrows Lecture Fund in support of a program under which lectures appropriate to the purposes of the Fund would be presented on the Round Table broadcast in the English language and recorded, the recorded lectures to be re-broadcast in India over the All India Radio to Indian radio listeners. If the project is approved by the Barrows Lecture Committee it will provide some financial assistance to the Round Table.
The Vice-President and Dean of Faculties referred to the report made by the Chancellor at the February 4, 1952, meeting of the Budget Committee relative to a proposed tuition increase next year which is made necessary because of an anticipated decline of 10 per cent in registration from the current year. He stated the University administration recommends that a tuition increase of approximately $90 a year, effective with the Summer Quarter, 1952, be made in the College, the Divisions and the Schools, and requested the approval of the Board for such increase.

It is estimated that the new tuition rates will bring in some $70,000 more tuition than this year with the anticipated 10 per cent decline in registration, after part of it is used to meet increased scholarship awards. He pointed out that the proposed increase is in line with increases adopted or contemplated by a number of other schools, including Williams College, Swarthmore, Smith College, Yale, Princeton, Columbia, and Johns Hopkins School of Engineering.

Following discussion, it was voted that the tuition increase as recommended be approved, effective with the Summer Quarter, 1952.

The Vice-President in Charge of Business Affairs reported the following bequests to the University:

The will of Mrs. Margaret Anderson of Joliet, Illinois, who died on November 8, 1951, contains a bequest of $2,500 to the University which is to be added to the William Anderson Scholarship Fund for needy students, previously established by the testatrix at the University as a memorial to her husband. As of June 30, 1951, there was a balance of $13,239.65 in the William Anderson Fund. There is no record of Mrs. Anderson's ever having attended the University.

The will of Curtis Rockwell Manning, who died at Manteno, Illinois, on March 19, 1951, provides that his residuary estate, estimated at $20,000, shall go to the University and be added to the fund heretofore established at the University by his mother, Ellen Curtis Manning, for the study of dementia praecox and epilepsy. Under the terms of Mrs. Manning's gift, the University is to accumulate the income on the fund until the principal of the fund reaches $100,000. The principal of the fund as of June 30, 1951, was $91,997.19.
The will of J. Parker, Hall, wife of the former Dean of the Law School and mother of J. Parker Hall, who died in Buffalo, New York, on January 24, 1952, contains a bequest of $125,000 to the University which is to be added to the endowment fund of the James Parker Hall Professorship. The James Parker Hall Professorship Fund was established in 1930 through contributions made by alumni of the Law School. This fund has been augmented from time to time by gifts, and especially by a bequest in excess of $90,000 received by the University under the will of John Gilpatric Hall, sister of Miss Hall. The balance in the fund as of June 30, 1951, was $353,806.89.

The report was received with thanks and ordered placed on file.

The Secretary of the University presented the following report:

It is recommended that the following contributions and grants shown in the Secretary’s report be accepted (gifts and pledged money reported to the Board at the last meeting aggregate $185,364.91 in the January book):

- July, 29; August, 5; September, 12; October, 6; November, 27; December, 13; January, 23
It was voted to approve the recommendation as presented.

In connection with the presentation of the foregoing report, the Chairman suggested that the Trustees look over the list of donors and write a personal note of thanks to the donors whom they know.

The Comptroller presented report entitled: "Revised Budget, 1951-52, Comparative Summary of Original and Revised Estimates of Regular Budget Income and Expenditures", which he stated was submitted to the Board by the Budget Committee with the recommendation that it be approved.

(Copy of the foregoing report of the Comptroller is attached to the minutes of this meeting.)

Following discussion,

It was voted that the Revised Budget for 1951-52 as presented by the Comptroller, be approved.

(Copy of report entitled, "Summary of Financing of Post-War Building Projects as of December 31, 1951" is attached to the minutes, and copy of this report and copy of report entitled: "Summary of the Financing of Post-War Building Projects as of December 31, 1951" are attached to the official copy of the minutes of this meeting.)

The reports were received and ordered placed on file.

The Comptroller stated that at the January, 1952, meeting of the Board in connection with the presentation of the quarterly report showing new appointments, and changes in appointments where the salary exceeds $5,000 per annum, the Chairman mentioned that the Comptroller has raised the question as to whether a somewhat more elaborate report would be acceptable to the Board. At that time the Board agreed that the Comptroller should submit suggestions to the Board or Budget Committee for consideration. The Comptroller...
recommended that the following changes be made in the report:

1. The reporting level on salaries be raised from $5,000 to $6,000 (or possibly $7,000).
2. He continue to report:
   a. New appointments
   b. Resignations
   c. Promotions
   d. Salary increases
3. He discontinue reporting:
   a. Leaves of absence
   b. Reappointments without change in salary
   c. Salary decreases (e.g. - full to part time; reduction in rank)
   d. Changes in title, duties, or contract without change in salary.

Following discussion,

It was voted that the recommendations of the Comptroller for the simplification of the report be approved, and that the reporting level of salaries shall be changed from $5,000 to $6,000 per annum.

Adjourned at 3:30 P.M.
