OCT 6, 84.

Dear Sir,

I have been asked by your colleague to write an article on the subject.

The fact is, there is not a word of merit in your article as can be brought to the notice of the public.

The material is not satisfactory, and you may as well stop here.
dealing with this until
you see the result of the
visit of the Emperor's
delegate, as well as that
of the Prime Minister of the
Cape, who was on his way
to England. I shall hope
anyway to give you early
information in my power,
very truly,

My dear Sir,

Allow me to thank you for your courteous letter of Sep 24th and for your willingness to consider the above.

Yours sincerely,

Dear Mr. Bureties,

I am much obliged for your kind invitation to tea. I shall be happy to accept.

I do not propose to write anything about the military.
