M de Bacourt.

Ministre Plénip. de la Cour

Jusment Thom

Mr Bancroft regrets exceed-
ingly, that he failed to receive
Mr de Bacourt's visit this
morning. He would esteem it a
great favor, if Mr de B. would
do him the honor to dine

Bancroft, his town in Etats Unis

with him on Wednesday next at
four o'clock.

If in the meantime Mr Bass
could see so any thing to promote
the views of Mr de Baroult. During
his stay in Boston, it would

give him peculiar satisfaction
to do so.

Winstony place -
Sept. 7. 1840.
