Dear Sir,

Wishing for a
few Minutes Conversation
with you, in respect to
the Southwest part of
my History of Surrey.
I shall be glad to
meet you at the Society
of Antiquaries, Tomorrow
Evening. — or should
that time be incon-

venient — I will
cross the Bridge to
call on you at any
day and hour which
may best suit you.
You are, possibly,
aware of the lamented
decease of Mr. D. —
which I deeply regret
but that event will
not affect the general
Arrangements for
completing the

work.

I am

Dear Sir,
