STATE OF NEW YORK
CONSTITUTIONAL CONVENTION

Albany Sept. 15th 94

My dear Bishop.

Your kind note from
Bar Harbor was duly rec'd
advising me that you expected
to return ~~from~~^{to} Albany on the
17th and I have delayed
answering it until I could
give you some definite state-
ment as to our own move-
ments. The Convention
has today adjourned to

the 20th and we shall then
return to finish. and I hope
we shall get through next
Saturday. at any rate by
the following Saturday the
29th. and as you say you
have another house at
No. 13 - we shall avail
ourselves of your kind
offer to let us remain
here to the end of the Con-
vention. We have greatly

enjoyed the house. and
feel under great obligations
to you for letting us have
it.

Yours very truly
Joseph H. Choate
