My dear Mr. Eckels

We were glad to hear that
you thought of coming to see us
next Thursday; and we hope nothing
will prevent your coming.

All the trains on the Pa.

road do not stop at Princeton

Junction when you change for this
place. If you will telegraph us

the hour you will start from New

York, I will meet you at the depot
here.

Yours sincerely
Hon Jas H. Eckels

Yours Sincerely
