Dear Sir: <sup>Essex</sup>

The word "permutation"  
mentioned in the accounts  
given in this evening's  
Courier of our dear  
friend's decease, is  
likely to excite unfound-  
ed suspicions. I should  
therefore hope that you

or  
A. Knightly Esq

you or some other  
friend will see that  
the death is announced  
in tomorrow's papers  
with such a late notice  
of the previous ill-  
ness as may do away  
the ill effect of the mode  
in which the Cancer  
has mentioned it.

I have the honor  
to be Dear Sir  
Yours faithfully  
J. W. Croker
