Dear Sirs

A copy of my privately  
printed life of Swinburne 1912 has  
come back into my possession. It  
is No. 27 of the 50 printed. I  
can let you have it for your  
correspondent. The price is 5  
guineas.

Yours faithfully

Edmund Gosse

It has one or two corrections in  
my handwriting, which will not (I  
imagine) lessen its value.
