

Office of the Commissioner,
Bureau Refugees, Freedmen, and Abandoned Lands,

Washington, City, Sept. 1, 1870

J.P. Rowland, Jr. - Boston, Mass.
Brother Rowland,

Could you
not raise for our N. W. C. A.
the sum of \$3000. Your building
is not yet constructed, but I feel
that you could give us a lift.
Our floating debt is more than
one had thought would have been -
and I am exceedingly anxious to
meet it and while praying over
it I have resolved to write to
you & to ^{a few} other associations -
If you can possibly do this for
us we would be able soon to
reimburse. Aff. Br. Brother in Christ
