

do. Fayette
(1781)

Colonel White of the
Cavalry

Fayette N.Y.

Doctrs Forge 31st Aug. 1781.

wind

Sir

I wish you as soon and as
expeditiously as possible to join this camp
with the whole of the horse under your
command. What accoutrement you
can collect, or may find on the route
you will bring with you. I am in
expectation of an arrival from the
Northward which may put something
in our power.

I am Sir your Obedt
Fayette

Col. White
