My Dear General

I notice by the papers
that your Committee desire
the names and rank of such
of the old Army officers as
will desire tickets to the Bon-
=quet. You may put on
your list

Colonel Gilbert D. Munson

Maj Gen. W. D. Leggett

Col. Munson's full rank
was Lt. Colonel 78 O.V.V.B. but
was Brevetted Colonel by the
President. My rank was full
Maj Gen. -

We both intend to be
there - and I am glad
to see arrangements

are being made for a
glorious time - These
meetings will grow more
& more interesting from
year to year - and
we should spare no
pains to make them
interesting occasions.

Very Truly
Yours,
Mr. W. Leggett
