Dear Sir,

Pray accept my best thanks for your  
kind letter of 4<sup>th</sup> inst together  
with the "Feestnummer" of the "Zutphensche  
Courant" which I have read with  
much interest. I have a very agreeable  
remembrance of my visit to Zutphen  
fourteen years ago & of the interesting  
& instructive conversation of the gentleman  
<sup>de Tadama</sup> who was so good as to show<sup>me</sup> all that  
was interesting there.

I read with interest what you tell  
me of the papers in the Wynkeistorren  
& thank you sincerely for your friendly  
intentions in my behalf as well as  
for the indulgent manner in which you  
are pleased to speak of my labors to illustrate  
the history of your noble country & of the  
honor recently done me by the time-honored  
University of Leyden.

I am dear Sir

Very respectfully yours

J. Molley

Pray  
J. G. Frederiks
