My Dear Mrs Bowen,

Enclosed I send six photographs and autographs of my father. As to my own, which you request, I cannot flatter myself that they can be of an value. I therefore send half a dozen autographs of John Quincy Adams, who I presume is remembered & honored by the Unionists of Maryland.

Wishing you great success in your noble enterprise

I am very truly  
your friend

My dear Mr. Bowen,

Included herein are photographs  
 and autographs of my father. In  
 the report, which you request, I  
 cannot further say that they can  
 be of any value. Therefore I enclose  
 but a few autographs of  
 John Quincy Adams, who I  
 presume is remembered & honored  
 by the majority of those living.  
 I wish you good success  
 in your other enterprises  
 I am very truly  
 your friend
