

Dayton, June 20/54.

Gent-

The abstract you mention, is badly necessary. The case went to decree in May. On the 30th day after court, my clients determined not to perfect the appeal, & I immediately notified you of the decree & its amount &c (4000.00 & upwards) The property will be sold. I do not know who claims the decree money, or whether there has been an assignment.

Yours truly &c,
Coffin & Little Chas. T. Wallandigham
