I am informed that you have written to your brother in the United States and that you have informed him of a recent letter from Mr. Washington in which he mentions a certain property in Virginia which he wishes to transfer to you. I have no knowledge of the circumstances surrounding this transaction, but I can assure you that I will do everything in my power to facilitate its completion.

As for the $5,000 balance due you, I have no knowledge of any such matter. I suggest that you contact Mr. Washington directly to inquire about the status of the funds.

I understand that you are planning to travel to the United States soon. Please let me know when you are expected to arrive so that I may make arrangements to meet you and discuss these matters further.

Yours sincerely,
