Ice Tray

No more
chiseling

No more Ice
cubes in the sink

Fingertip control
from Metflex to
Glass

Now! The METFLEX Ice Tray

OF STAINLESS STEEL

MADE TO FIT ANY MECHANICAL REFRIGERATOR

①
Quick freezing and
easy to withdraw
from refrigerator.

②
Flex gently sidewise
back and forth.
Ice cubes loosen
and pop up!

③
Pinch out one cube
or turn them all out!
Unused ice is left
undisturbed.

The very last word in convenience and economy. Really enjoy your refrigerator—
Eliminate your pet peeves. Install Metflex Trays now!

NO SPLASH—NO WET HANDS—NO MELTING—NO WASTE

A McCORD PRODUCT

McCORD RADIATOR & MFG. CO., DETROIT
Est. 1896

The METLFLEX Ice Tray already has been adopted as original equipment on several leading makes of refrigerators.
