GUIDE TO
EXHIBITS

BY THE
WELLCOME RESEARCH
INSTITUTION

LONDON, ENGLAND

THE Wellcome Research Institution, founded by SIR HENRY WELLCOME, embraces the following affiliated Research Laboratories, Museums, etc. :—

BUREAU OF SCIENTIFIC RESEARCH
ENTOMOLOGICAL FIELD
LABORATORIES
PHYSIOLOGICAL RESEARCH
LABORATORIES
CHEMICAL RESEARCH
LABORATORIES
HISTORICAL MEDICAL MUSEUM
MUSEUM OF MEDICAL SCIENCE

All these Laboratories and Museums are devoted to research work in the interests of medicine and its allied sciences. The results achieved are published in the leading scientific journals.

An outline of their activities is provided by the Exhibits at the Chicago Exposition.
