Why EVEREADY FLASHLIGHT *Batteries last longer*

METAL SEAL TOP

Protects against
leakage, bulging
and breakage

THEY'RE DATED

You know
they're fresh

RUGGED ZINC CAN

Uniform in
thickness

PROJECTING TIP

Insures positive
contact

SPECIAL JACKET

Prevents short
circuits

POWER STABILIZER

Centers active
materials, insuring
longer life

SPECIAL PATENTED MIX

The result of over 40 years of battery making experience

The Eveready Extra Long-life Battery is the greatest battery development in years. The metal seal top replaces the old-fashioned wax seal and gives a rugged all-metal cell. A set of Eveready Extra Long life Batteries will operate longer in your flashlight.
