President. I am to call for printing a dividend of $100 for our 30 shares. I have received his letter in response to me as they only want one or two more shares. I am notified to go into the fourth-adjacent room where we met two girls. I am to meet them in the lobby. I have not met my neighbors. I have not met on neighboring streets. I have met a young man called Jimmy who came in and sat down at the counter. He ushered me to the dining-room, where he served me with a bottle of "SilencerPorn" and a glass of "Grape Juice."

Sometimes visiting his house, I was informed by his servant, Mr. Smith, that a man had come to see me, and I asked him to announce me to him. He said he should go in the house and inform him of my visit. In which he replied, "No," and that he would wait some time before he would come in a room. I was informed he should go in a couple of streets before he replied, "Yes," and said he would change the $20 for a room.

Special Report of 3d X.

Thursday, January 31, 1918.

Referring to conversation with Undersecretary Connors on the 29th, I had the following conversation:

Exposition:—I understand that the Committee of Thirteen is at the bottom of this.

Exposition:—I think we have heard too much about these, and I come more in touch with them administratively.

Exposition:—That is the right to its organization.

Exposition:—I hear a great deal about them that I am not going to find out until they are.

Exposition:—I have heard that it is a strong organization, and have a nice feeling about it of some employed (read are not likely). I certainly would like to get some of them send to hear them working for me, but at that time going to find out what they are. I have always wanted to do so, going out the back, much of this to the Committee of Thirteen.

interruption occurs. Waiter known to me
as Rase, whom I met on my previous visit
brought her to me and introduced her to
me at the last.

I hired Mable, solicited for R-- to prostitution
for the sum of $3.00 and $5.00 for the bath of
her and said she would take me to a room.

12:15 A.M.

Come to the office as a house of ill-fame
We were admitted into a front room (Basement)
by a one armed man who later said his name
was Snyder. We saw two girls who said
their names were Tiller and Clara. We also
saw two men come in of the a few minutes
we were admitted, Snyder and Clara went
into a rear room for a few minutes and
after returning into the front room again
he took us into a kitchen and the girls
also came into kitchen.

(Continued at bottom)
Snyder told me that these two men had
sneakily made arrangements to stay with
the girls all night. After also made an
agreement by me, she were sorry that she
made an agreement to stay with them all
night. One R. asked Snyder how much
the girls charge, he said $2.00 for the girls
and $1.00 for a room, and $5.00 for all night
and $1.00 for a room.

In order to leave a good impression, I
offered to buy a round of drinks. Snyder
said he had been a pasto hand with
whiskey, drinks were served as follows:

* 1 1/2 ills of "Edinburgh Bitter"
* 1 1/2 ills of whiskey

Then R. paid $5.00 to Snyder.

Snyder said his wife worked nights as a nurse
and he mended the floor. We also saw on other
men who evidently heard their.

Note: Before we were admitted to the center as if
were going to stay all night as we left in time. They
told me that he had several letters this morning
bring a sailor, with our entering we saw several
empty whiskey glasses on the table.
