Sam to be operating as a house of ill-fame.

We were admitted into a middle sitting by a woman whom we know and obtained evidence against her on Mon dept. 4, 1918 who said her name was "Stella."

Stella solicited us both to go to prostitution, she said, I will stay with you for all night for $5.00 but not here as I only take my short tricks here.

The end Stella solicited me to prostitution for the sum of $5.00 for a short while.

Investigation.
I was admitted by a woman by name of Agnes, and seated on sofa, she asked who I was and how I came there, I replied that a chauffeur who has a big Packard car rent me, after further questioning by her, she stated she did not like to take a chance, as the government had investigations out, but if I would come with the chauffeur and he would vouch for me I could get anything I wanted and bring a party of two along. All the time she was talking she had her arm around me and was holding my hand, she had on a very light, loose wrapper which displayed her entire figure, she asked me to come back with chauffeur and everything would be all right.

Conditions for past week Oct 9 to 12-1918

During the past few years I have never been the conditions so tight as at present. In fact, have received information that the sporting element are determined to keep close the town, so that the people will get disgusted and make a move to the politicians, who will bring pressure at Washington, so that a more liberal view will be taken of this condition.
