We were admitted by a woman I know, as
Stella Simmons. We were seated in front parlor
and two more women I know as Florence

who I know as an immoral flat keeper.

While here we were solicited to buy

we were each charged $1.00.

Stella solicited investigator X to prostitute
and Olga solicited me to prostitution
for which she made price $5.00.

On January 20th, 1919, I visited here and on that
occasion I also obtained evidence against this place.

For further particulars concerning these
women, see my report of January 20, 1919.

Face Weekes.

Investigation

We were admitted into a front parlor by a woman whom I know as Face Weekes. She
kept the place.

This woman told me that she is unmarried, unemployed, that she lives here alone and pays
$5.50 a month rent, and that she has men visit her here until 4 A.M.

While here this woman did not solicit me to prostitution. This woman formerly was a manicurist
and I have known her for over a year. She frequents cafes of the better class, where women
are admitted unsolicited.

This woman served us with a round of intoxicating drinks and when we made an
attempt to pay for it, said she does not sell drinks.

I have learned that this woman pays men of means who entertain her and when she has sexual
intercourse with these men, they in return give her money instead of her asking for it.

We took seats in case and purchased a round

Mr. West we took seats with these women. We  
were served with drinks and then these women

We were admitted into front bedroom
by a woman whom I know as Billie, a resident
inmate of this place. We were then joined by Mrs.
Adela Tyler, the keeper of this house.

I obtained evidence against these women
at this place on May 7th 1919.

While here Billie solicited both of us
to prostitution and she made one a price of $5.00
and $2.00 extra for the room.

Mrs. Tyler also solicited me to stay and she
warranted to call another girl for us for the
purpose of prostitution, for which she made
price $7.00 for the girl and $5.00 for the use
of the room.

Matthew White, Keeper
Estelle -- Innmate
Hattie -- "
Earl -- waiter

I came to be operating as a disorderly saloon.

We took seats in cafe and I purchased a round
of drinks. Two unescorted women seated at a table
nearby came over and took seats with us. These
women gave their names as Estelle and Hattie. In-
spectator X then purchased a round of drinks.

Estelle solicited inspector X to prostitution,
and Hattie solicited me to prostitution for the
sum of $100, she stating that I should call her
at 1320 13th St. for appointment and she
would take me to a north side flat. Hattie
further stated that she lives with her mother
and does not take tricks at her home.

In the presence of the proprietor Mr. Matthew White
and the waiter known as Earl, I saw unescorted
women frequent men's room, drink with them, and then saw
those women leave this place with the men they drunk-
ed up with. This place is a hangout for prostitution who
are allowed to hunt for hire after prostitution.

While passing through cafe two unrecogniz-able
women smiled and asked us to take seats with them.
I greeted these women and I recognized one of them
as a prostitute named Maudie and the other
one was introduced to me as Nan.

However I left this party and joined a woman
who beckoned for me to take seat with her. We
were served with drinks and then this woman

she gave me her name as Claire Devere, address
