I was served with round of ginger ale hi-kelle, and的想法 were paired with rounds of seltzer hi-kelle, for which a charge of 25¢ a drink was made.

I saw approximately about 9 seamen and 14 soldiers, the majority of these men being officers.

I saw those men in uniform being served, which apparently was a common practice.

The place was filled to its capacity, and I could see that the food and drinks served were what appeared to be hi-kelle.

All drinks served at our table contained alcohol, and were very intoxicating.

We were coming down there into the room when we met a woman coming out who accosted me and proceeded to introduce us. We did so, and the woman said their names were "Mrs. Pearl Perkins" and "Mrs. Joe Nelson."

After being introd. and accorded with a pound of drinks, these 2 women gave us their telephone number as "Mrs. Perkins" and invited us to call them up and go out with them for a good time. These women in all appearance were prostitutes, but we were unable to obtain the solicitation.

We saw 2 women sitting at a table with a man who appeared to be intoxicated, one of the women was called to the telephone by the protagonist, as "Mr."

We saw an unresented woman came in who ordered and was served with a glass of wine.
Said to be spending at a house of ill-name.

On returning we met a woman at
Sewing 'H' station, who said they had a word with "H" Clover Daily.

They women suggested that we get a

We visited the Gordon Cafe located at
10 Corner of Pomonah & Reed, where we
purchased a round of drinks and then
visited the Pat Москве Cafe, located at
10 S. Corner of Temple & Belmont. After our
lunch again purchased a round of drinks.

While in this cafe, both of these
women invited me to continue to
their flat, we did so, and proceeded
into a front farther by Clover Daily.

(Continued on the next...)
Earlier when leaving the city on her journey, Alley told me she thought of returning for a short time. When I asked her what she meant, she replied, "Are you sure you want to return and do you think it will be to your advantage?"

During this conversation Alley had her hand on my shoulder.

Colonel

I was admitted into a front bedroom and later ushered into a middle bedroom by a woman whom I met and engaged in conversation against 7/7/18 and 8/7/18, who said she named me "Mrs. Butterly."

When I asked True Butterfly of the gate was she she replied, "no, but 1 have them now on me mind and they shall be here at 8 o'clock, and you will like them."

When I asked "Mrs. Butterly, what the girls changed," she replied, "#60."

While in the middle bedroom and while I were about to leave, True Butterly solicited me to prostitution. She said, "Why don't you stay now, will that you..." (Continued otherwise)
all right.

When I asked Miss Butler what she charged, she replied, "Oh about the same as my girls." meaning $5.00.

Miss Butler told me that I could bring me a girl any time, and that the price for the room would be $5.00.

I paid a man in the front of the room apparently a Greek man. Miss Butler told me that man was her friend.

I was an introduced a woman sleeping on a couch in the dining room.

Wander to be operating as a house of assignation
and apparently residing as a house of ill fame.

We were admitted into a delight room
by a woman whom I introduced to
me as "Mrs Dutman."

We ordered something to drink, and Mrs
Dutman asked me if I wanted beer.

We were served by a colored woman
whom Mrs Dutman addressed as "Menzo" in the round (at 2 tolls around) of
"Separate Beer," for which a charge of $2
was made by Mrs Dutman and for which I paid $1.50, and was
paid $10, all money being paid tomorrow.

Mrs Dutman asked me if I wanted
to see some girls so that she could call

(Continued on other side)
some girls by telephone for me.
Mr. Dttmar did telephone a certain
place, but the party was not at home.
When I arrived Mr. Dttmar asked the girls
what the girls charged. She replied,
"the girls charge $5.00 and $2.50 for
my rooms."
I also asked a woman her whole
name, Mr. Dttmar said one "Corina,"
and whom Mr. D. later recognized
to be a prostitute, and whom he said he
had met at a call girl.
