Alone I was here solicited to prostitution

I was admitted to the first floor of the above address
by a rather small woman with brown hair and eyes.
She said "Hello, come right this way" and guided me up
stairs to the second floor. On the way up I asked to see "Fat".
She called Fat who opened the door of her room and admitted
me. The room is slightly to the right as you reach the end of
the stairs. On entering the room I said "Hello" and who am you?
She returned the greeting and after closing the door of the room
She said "What can I do for you?" I told her I would like a
massage and everything that went with it. She laughed and
said alright. I shall fix you up but it will be ten dollars.
I said that was higher than usual and that she knew.
The massage would just change me 5.25 dollars for the other
she batted again and said alright and started to help me
off with my coat. I then told her that I had just come to
make an appointment for about 4:30 P.M.

I entered the hotel through the front door and went to the 2nd floor. A man in the office asked me where I wanted and I told him, one of the girls. He then let me in through the office door and told me to go upstairs. I went to the 2nd floor where I saw a prostitute had her hat & coat on. She told me to go upstairs. I went to the 4th floor and walked to the rear of the hotel. About half way down the hall in front of a bedroom door Peggy was standing. Winded up to her she solicited me as above. As I approached the above address, a girl accosted me and solicited me to prostitution. I told her I was just going in 3844. They said go right in Stella is inside. I went in the front door and rang the bell. Stella came to the door and asked me in. She took me to a bedroom towards the rear of the flat and did the solicitation as above. Just then the bell rang, once short and once long. I started to leave the room and headed for the front door. Stella said don't be afraid, nobody will come here. At that instant Alma, who was answering the door, said, "Come in, the cops." Stella told me to go out the back way but I pushed her aside and went to the front door. After struggling a moment with both girls I punched the door and the standing squad consisting of Ins. 111-112, Goof & Officers, Edsorley, Zuniga & Kent, with 4 other uniformed police entered the flat.

The police after questioning of the girls took them to 2A Police Station.

About 11:30 a girl came into our room and asked if we wanted to go to her room (one at a time) and go to bed with her, for which she asked $2.00. I paid $1.00.

I asked her what she would like to do for $1.00. She said there were a couple of other girls who lived in the hotel whom she could get if we would guarantee to “jag” them. We refused to promise anything like that. After taking a drink of gin, which I paid 100, I paid a bootlegger who the check went up $3.00. The girl and myself spent the night here.

Remarks: The girl told us that the clerk and himself were not the owner of the hotel.

Old woman with grey hair.
Dirty looking girl with light brown eyes and light hair.

Due to $50, I was hired solicited to prostitution for a price of $3.

He entered the hotel at the above address and proceeded to the second floor. In the office were an old man and the above described woman. The man asked what we wanted. I asked to see the blonde girl. She told that she was gone but he had another girl.

He then took us to a bedroom which is down the front hall to your right as you face the office.

He entered the bedroom which contained a bed and washstand. A moment later, the girl entered and started as we above. She told her line did not like her looks and left.

I entered the saloon at 843 W. Adams St. and ordered beer. After we drank our beer we talked a few minutes. Then the above described man asked us if we wanted to see some girls. I declined, but did. He then told a large man in overalls to take me upstairs.

I followed the man out through the rear door of the saloon turned to the left and ascended the rear outside stair of the building walked past the first floor porch to a door which the man unlocked with a key and took me into what formerly had been a kitchen but which now contains a kitchen sink and a couple of chairs and is evidently used as a waiting room for patrons. He then showed me into a room which was this night in use as the rear door. Here I saw two girls and a colored woman.

The large dark haired girl then solicited me for a price of $1.00 which I raised to $5.00 which I did not immediately agree to. She said, "Well honey, let's go to bed. It's only $5.00."

I declined, but she wanted me to make it $7.50. I then told her I did not intend to stay there but would return later. The colored woman showed me out through the front door and I comment at 817 W. Adams St.
