Went to a brothel as a house of ill-fame.

We were admitted into a middle bed room by a colored woman who gave her name as "Iron", a resident inmate.

Iron solicited me F. and I to prostitution, naming the price at 50c. We were accused by Iron with 2 bottles of near wine for which I paid 40c.

Also saw a dark and heavy set colored woman named that she was the keeper.

After inquiring about women, I
were informed that there were none on
the premises, but that I could bring
in a woman at any time for immoral
purposes, that I did not need baggage
that register as man and wife

I was taken to various rooms on the
2nd and 3rd floor, neither the floor nor and
two dollars a night and from there to some
dollars a week with privileges to have women
for company.

I missed that provision as made
every night for rooms for immoral purposes.

We were admitted into a middle room
known as a sitting room by a woman
of Diwan of appearance age about 30 short and
colorless hair who acted as the leader.

In this room we found twoinnen
sitting on a sofa and one close by
whom were dressed in a loose night dress
affairing very quiet and waiting for us to
take the initiative.

The acting leader selected Inv. F. and I. to prostitution, saying 'well boys are
we going to go to bed?' and ushered me into
a front bed room where she obtained
a basin of water and towel from under the
bed and named the price at $5.00 for a short

I learned from the actingkeeper that they do a big business here up to 9 or 10 am, especially Saturday and Sunday nights, when they have extra women.

As we were leaving Violet solicited me to prostitution, but this firm had to be arranged by the keeper.

On the 3rd floor I met a man of German appearance who said that he was the clerk.

After making inquiries about women, I was informed that there were none on the premises, but that I could bring in a woman at any time for the purpose of prostitution and that he would assign me to a room for a price of 30. The clerk suggested that I may end up to bring up a street walker or go to the Ontario or Delavan Hotel where I would find women and where he offered to make arrangements for me.

Colored women were operating as a disorderly saloon.

After I had a soft drink at the bar I entered the barroom located in the cafe, and while in the barroom a woman approached me, who put her hand on my private and insisted that I take a seat with her.

After I had taken a seat with this woman and without ordering a drink the waiter served me with a glass of beer and the woman with a bottle of wine, for which she demanded $5.00. I absolutely refused to pay for this and just 50% on the table and walked out.

While walking over to the table this woman solicited me to prostitution saying "we will have a drink first and then a jazz for a (Con)"
couple of dollars.

I saw another unscrupulous woman who appeared to be a prostitute, also saw a man in the barary who was intoxicated saying, "The damn women have taken all my money.

I obtained orders against these persons about a year ago.

Come to be operating as a house of ill-fame. I was admitted into hall-way by a woman age about 30 years, who admitted that she was the keeper. While here the woman solicited me to prostitution naming the price at $2.50 and invited me to come back later, as that she was busy at the moment. However, I made my self perfectly clear for the purpose of my visit and she assured that I could look in an half an hour and that she would give me a good time.

Upon ringing bell at second floor a negro named McFadden pH on 2nd floor and told him that Mrs. Russell of the 2nd floor had left the city for a few days and that she lived on the 3rd floor alone.

There is no question in my mind but that this place can be made secure if we had more information from the complainant or other persons stating where this woman can be found or other persons stating where she has been. If this wood is secure then there are names of men and women that are seen about the floor, with the information we would have some ground to work on.

Investigation on Informed. Their check off.

While in the first room, I entered into conversation with the waiter and bar-tenders and learned from both that uncontrolled women, called known in prostitutes are allowed in cafe and that no objections are made of mingling with them. However, I did not see any women of this class, also found places very quiet, but were told that it was to be avoided and that if I were looking for wild women, the first time you did fly around about midnight or Saturday nights.

I saw liquor being served over for and cappuccino and four bottles of liquor being displayed in back of Mr. Seo's bar by bar-tenders to purchase liquor. I did not.
