came to be operating as a house of ill-fame.
Using the wire, I was admitted into the door by a colored maid whom she told me to wait a moment.
After waiting for about three minutes, this same colored woman returned in company with a white woman aged about 28 years and a very good looking.
The colored maid solicited me to prostitution with the white girl minutes saying, "If you like the girl go to bed with her if you don't go to bed with her, you are $1000."

As I was about to make my escape with the girl, the maid interrupted, saying that she was in charge of all the girls and that I had to talk business with her. She asked me for a $500 bond. I gave her the $500.
