Some to be operating on a house of ill-fame. We went admitted into hall-way by a woman age about 40 years, who said she was the housekeeper and acting in charge. Before the woman admitted us, she asked if we wanted to see the girls, that she had one girl for noon and another two more after 6 o'clock.

The housekeeper solicited my companion and myself to indulge in prostitution with a young woman I saw in the kitchen when offered the price of 5.00.

Said that the present servant had been here for some time and that the housekeeper commenced work in the 1st of August 1920.

She had a man and a woman talking in a front room, the room I know is to a bed-room.

Strict Soliciting

While on Observation I was accosted by a prostitute who I have known for some time as a strict solicitor of Paulina T. Madison by the name of Tunie. This woman solicited me to indulge in prostitution naming the price as $5.00. When I asked her where I would go she began leading me to a chicken cot saying that she were kill her tricks in a chicken. I said the woman assent three men during fifteen minutes she walked east on Madison.

I have had information that certain chicken cot drivers in this vicinity indulge in this nuisance.

This reason we did not go upstairs, we because this man rose to protest and also taking my arm by force.

We was also introduced by Murphy to his partner who gave his name as Rorion Murphy and gave me his personal card.

I came to be operating as a house of assignation and apparently working as a house of ill-fame. We were admitted into a front sitting room also used as a bed room by a man woman whom we were soon joined by a woman I know as Miss Monday the teacher.

The teacher solicited us to indulge in negotiation with women whom she said she would lead to call her room the price of $5.00 for sexual intercourse with the woman. She also solicited us to bring our own girl that she would continue a bed room for the purpose of sexual intercourse for a price of $2.00.

During my telephone conversation with Miss Monday she told me that she had two women staying with her and invited me to call alone. However she only admitted to one man at a time and there was no question in my mind but that the woman was hers.

This woman formerly operated a house of ill-fame at 1444 S. Jackson Blvd.

While passing through cafe I saw these women apparently prostitutes in company with two men. The woman appeared to be intoxicated and later one of these women in the bar-room she plaited and told me that she had a couple of 'lunch' men, wanting me to come back some other time.

I was carried from the bar-room where she lived to the parlor where the women had two police officers in plain clothes. She also told me that nobody would visit the floor unescorted and for me to come back another time.

We were served by the proprietor with regular lunch fare for which a charge is made at $1.50 and 20c for glass.

We called a police officer in uniform #1448 being served with regular fare, no charge was made.

v called not from

Poems to be starting at a house of ill-fame. Having an interest we were admitted in a morphia room by a woman aged about 30 years who said she was the keeper.

The keeper selected my companion and myself to indulge in prostitution noting the price $100. The keeper also told me that she had two women staying with her for minor of purpose with me.

I have information that this place is run in conjunction with the Campbell Gardens located well down and that the inmates enter at the Gardyne.
