Some operating at a disorderly place.

Bringing a fine word of water infected
a door and the fowl went in after, when
we ordered and were served with straight
whiskey and Dago Redd by several writers
who were odd handed at work, paid $10 for
this round of drink.

While here a woman I knew,
Margaret in company with a man asked
me to come over to their table, there I sat
and she immediately solicited me to indulge
in prostitution for a price of 500. Being
that she would take him to a room for
immoral purposes, after she had taken the
company she took off with the man.

Of one other table there recognized a
prostitute named Virginia who was in
company with a man.
This is a mockery, I go for the scraper, Common sewer, crook, and front information, receiving it in support to be paying protection.

Doors are first looked at all times, nothing but interesting liqueur are served, found inactive in a drunken mood, in fortitude and one man shabbily dressed who had several hundred dollars in his possession.

In the uncensored woman.

Some dancing on a discardy stage.

We entered and took seats in
carpeted room where we were soon joined by
a woman who plied from one end
table I know as Nathan.

After being served with intoxicating
drinks this woman solicited my companion
and myself to indulge in prostitution
for a drink of 50c.

At end of table a woman plied
who asked me to come over she gave the woman
on Betty and solicited me to indulge in prostitution
for a price of which she would receive later
and about twelve other uncensored
women lined up, alternating dancing and
singing what is known as the Spanish.

Some apparently operating as a house of ill-fame.

We went admitted and shown into
dining room by a man who said his name
of French nationality and that he was the
hussie in charge during the
keeper's absence and that the keeper himself
was Marion Wetten.

The hussie informed us that the
keeper was not returning her within
two hours that the keeper Marion Wetten
called girls for immoral purposes and that
the girls paid for the discomfort of sexual
intercourse were $100. Each room furniture
that and keeper collected all money's due
that she sold. Bread and whiskey and that she
was the owner of this property having found
a house of ill-fame and gave the complaint in
information from other hussie.
