Some operating on a house of ill-fame. We were admitted into reception hall. I was recognized by a resident prostitute. I knew Leona. An intimate friend of Leona, solicited my companion and myself to indulge in prostitution for a price of $500. Nonetheless, I paid another girl amount of $500, both being dressed in loose fitting silk gowns.

Two colored nuns were admitted the house. We were, whom were refused to the rear by the inmates. However, there is no question in my mind that these were some how for the purpose to have sexual intercourse with these white girls.

Apprentice at a house of ill-fame.

On the reception hall way we were greeted by a woman who gave us her name as Mr. Jones' thekeeper.

After my going for colored minuets I knew as Stella, we met in front and that Stella was out at the time for she to call later and that we could then have actual intercourse with minuets for a price of $5.00.

The keeper named Jones, insisted on calling girls for immoral purposes for a price of $5.00.
