Call again.

We were admitted for an admission fee of 50¢ each and ushered to a table.

Seated at the table I saw 20 colored waiters and 4 colored entertainers, 4 of whom were colored. These four entertainers were at least in loose fitting gowns which they tossed to the waist and thighs exposed during very vulgar dancing.

I also saw extremely vulgar dancing by patrons and saw a number of unclothed women.

Entering the cabaret we were ushered to a table and were served by a round of colubry, bi-belle, and port wine for which Mr. X paid $1.95 plus a 20% tip to the colored waiter. I ordered an extra glass of port wine and was served by the same waiter, at a cost of 35 cents plus a 20% tip.

I was admitted for an admission fee of 25¢ and given a seat by one of the colored waiters.

Here I ordered and was served a bottle of beer. While the waiter was getting change for my money by an unescorted mulatto who ordered and was served a bottle of beer, for these drinks I paid 37¢ each Placa

While seated at the table I was solicited by this mulatto to indulge in prostitution and permission for a consideration of $3.00 or $10.00 for all night. She gave her name as Ireta (see attached slip) Telephone Douglas 5995. I gave her a $1.00 confidence fee.

I ordered and we sold a package of cigarettes, the brand of which was selected by Ireta.
at a cost of 324 plus an 184.45.

From my point of observation I saw the fine colored women entertainers engaged in bodily movements of a very depraved nature involving principally, of a forward and revolving movement of the pelvis and saw organs, and breasts. These movements were gone through on the floor space reserved for entertaining and public dancing and among the table of patrons.

I also saw very depraved performances by numerous patronsUnity of action and showing the appearance of 'mutual masturbation' between the opposite sexes. During some of these movements the patrons were at a stand still when I saw one of the men following prolonged close contact attempt to bite his woman companion on the breast.

I saw another X seated at a table a short distance from my own, also another gentleman and companion. As I was leaving, I was subjected to join two other unsolicited colored women.

Check off.

As per instructions I entered the premises at the time stated and found that the salon was operating, apparently under the same management.

I saw several men there, one of whom I recognized as an employee on the 1st & 2nd as well as previous visits, whom I had come to know previously as a gentleman. I also saw three or four and made observations.

In the hotel, I was greeted by Leona, the colored maid, Robert the colored porter, and Lucile, a resident inmate whose acquaintance I made on previous visit.

I also saw Elsie, another resident inmate and former acquaintance, walking in the hallway dressed in a common. She had been in a common with a man.

I saw another woman, unknown to myself, going up the stairs to the 3rd floor in company with a man both in street attire.

Lucile informed me that Helen (old maid) also was there. She had returned from a 3 week vacation.

I was invited to return.

Apparenly she was not able to join me.
