Court operating on a daily basis. Every company with friends, we visited the place located on Davenport.

Red shirt 50 yrs. rest of Lincoln was on South side of street.

After taking some, we were served with lunchbox and soft drinks. A charge of 50¢ for person on table covered.

During our stay, I met young girls at 16 yrs. intoxicated. Drinking whiskey off of the liquor and dancing with it known as the "Shimmy".

I was about 50 persons were and women intoxicated. The whole affair to the liquor caused my arm to awkwardly fall.

I was admitted through the front door by the Col. man. He asked who I was looking for, and I said, are any of the girls in? Just then the white man described above came out of a room in the rear of the house. And asked the Col. man who was there. After some minutes of questioning, during which time the man called Eddie pulled a letter out of my coat pocket, which had my name on it. He took it away from him and told him what was the big idea. He said well we have to be careful. He then decided I was alright so he told me to come back in an hour and he would have a girl for me. I asked how much and he said not less than 500 to 700.

Alone I was here solicited to come back after 10 P.M. and widely in prostitution for a price of 3 =

A young man in the office of the hotel told me that he would have girls after 10 P.M. many more this week. Next week he will begin showing girls in the afternoon again. He said the reason he had more till 10 P.M. this could was because they had trouble with the cops and had to lay low for a while.
