Dear Sir,

I have taken the liberty of addressing you for the purpose of obtaining information in regard to obtaining copies of Pub. Doc's. I understand there is many valuable documents in the Department of former years, as well as this, and I am very anxious to see some of them. I have written a number of times to the Members of Congress from this State, but to no purpose, therefore I thought I would write to you, believing that you would either send, or inform me of some way to obtain them. Please excuse me for the liberty I have taken in troubling you but I was advised to send to you and was told I should get some satisfaction. It may be the reason I have not been able to receive any reply from the Member from this District is that I am a member of the Roxbury Democratic City Committee.

Please send me a few lines & you will much oblige yours most respectfully George W. Adams

Hon. S. A. Douglas,

Dear Sir,

Enclosed please find and accept two copies of our paper containing the Commercial Review of Chicago for 1857, which I have just prepared. You may find in it some matter of interest—seeing that you are supposed to have some little interest in the London City. As you will gather by our reports of the daveners, Chicago “still lives,” notwithstanding the panic and its hard times.

In my capacity as Commercial Editor, I should feel benefited & copies of the volumes recently sent forth by Cooper, on “Our Commercial Relations.” If any of them are “laying around,” please send them to me. But do not trouble yourself about it, matter, as I can borrow them, when necessary, from the Board of Trade.

Yours truly,

J. F. Ballentine.

Dear Sir,

I suppose you have forgotten the man that you appointed clerk of the Circuit Court of Warren County, Illinois in 1841. If so he has not forgotten you. The writer of this Epistle is that man. You will see by the Oregon papers that I have had the honor of Speaker conferred upon me by the Legislature. My main object in writing this is to let you know my address so you can send me a document occasionally if you should see proper to do so.

Washington, My Dear Sir,

As my Senator and member of both Black Republicans, I cannot consistently ask favors of them, nor do I expect any. I should be pleased to be put on your list as a recipient for favors in the way of public documents. I think it is to the democracy of this vicinity that you are more bound than to any other constitution.

Sincerely yours,

To the Hon. Stephen Douglas

Dear Sir,

May I but ask that you will receive a Petition presented by the Hon. Samuel Crawford, signed by both Houses of the Legislature of Wisconsin together with the signature of Governor Barlow, and all the State officers & the Supreme Bench, to His Excellency Franklin Pierce, praying for an appointment on the Army of the United States (pay a Secularary)

Thinks that this would be a favorable opportunity to receive such appointment I have ventured to ask that you or some of your friends will look up the Petition which is on file in Washington and present the same before His Excellency

James Buchanan

Should any additional recommend be necessary I will furnish the same accordingly

While I remain very truly,

Your friend,
