Dear Sir,

Your favor is duly to hand enclosing draft for $200.00 for which we are obliged.

We have tried your gun, and it shoots as well as any gun we have turned out. We do not know how well it will shoot before it was altered but we will guarantee it shot better now.

We should be glad if you would show it to your friends in New Orleans, and should any of them want their guns altered, recommend us to them, and we will be sure to give them satisfaction.

We will pack the gun according to your instructions, and hold it subject to your order.
The cattle is not yet finished, you may depend on our making a good job of it.

We are, ever yours,

Sincerely,
