and therefore can have but little knowledge of the matters which they would have to consider if elected; and it is respectfully submitted that however eminent, intelligent and popular the gentlemen so nominated may be, it is not for the interest of the Club to elect Directors who are not interested in or familiar with its affairs.

The careful attention of members is also invited to the proposed Amendment of the By-Laws. The promoters of the Independent Ticket believe it would not be wise to make any change that would abridge the freedom of choice at the annual election, and therefore hope that there will be a full attendance of members at the annual meeting to vote against such amendment.

The Independent Nominating Committee.

Chicago, May 1st, 1885.

The Calumet Club Independent Ticket herewith enclosed has been prepared and issued at the request of many members of the Club.

With all due respect to the judgment of the regular Nominating Committee, and with full appreciation of the good qualities of the gentlemen nominated on the regular ticket, it is thought desirable to have other nominations by an Independent Committee, in order that members may have a reasonable choice of candidates.

In the selection of names for the Independent Ticket, care has been taken to nominate gentlemen who have heretofore taken sufficient interest in the Club to use and enjoy its privileges, and who have thus become familiar with its affairs. It is claimed that some of the regular nominees are practically strangers to the Club,

CALUMET CLUB.

Chicago, April 27th, 1883.

TO THE PRESIDENT AND DIRECTORS OF THE CALUMET CLUB:

The undersigned Committee, appointed to make nominations for Officers and Directors of this Club, to be voted for at the annual election, to be held Monday, May 7th, 1883, respectfully and unanimously submit the following ticket:

For President, . . . . Edson Keith.
For First Vice-President, . . . J. W. Doane.
For Second Vice-President, . Alfred Cowles.
For Secretary, . . . . William S. Knight.
For Treasurer, . . . . Chauncey J. Blair.

For Directors:

A. A. Bigelow, Charles T. Howe,
E. E. Chandler, Edson Keith,
Alfred Cowles, Wm. S. Knight,
J. W. Doane, J. J. Knickerbocker.
Wm. A. Fuller, H. J. Macfarland.

John H. Wrenn.

In submitting the foregoing nominations the Committee desire to say that they have given careful consideration to the subject without regard to personal motives, and they deem it for the best interests of the Club that the present officers and directors, without unnecessary changes, be continued in the management for the ensuing year. In our opinion it is wise to retain for the Club in the first year of the occupancy of its new home the services in its household affairs of those who best understand its working organization from their experience and labor in its construction and furnishing, much of which business necessarily remains to be completed. The Committee further beg leave to state that the present Secretary, Mr. Horace Williston, peremptorily declined a renomination, and while they heartily regret his determination, knowing that he has the thanks of the Club for his efficient services, they none the less cordially recommend the election of Mr. Knight as his successor. All of which is respectfully submitted.

To the President and Directors of the Camilet & Cub

The undersigned Committee offer their best compliments to the Officers and Directors of the CAMLET to the effect that the Camilet Company in the year 1887, having a prosperous time, are about to change their name to CAMLET & CUB. This change is to take place on the first of January, 1888, and the new firm will be known as CAMLET & CUB.

The undersigned Committee have therefore the honor to request the Officers and Directors to co-operate in the following change:

For President: J. W. Dowden
For Vice-President: A. H. Freeman
For Secretary: W. E. Wood
For Treasurer: H. L. Baker

J. W. Dowden
A. H. Freeman
H. L. Baker

In compliance with your request to the Committee to use the following text to announce the change, we have shown it in the present document. We have made a decision to adopt the new name CAMLET & CUB to reflect the company's growth and prosperity. The change is effective from January 1, 1888, and the company will continue to operate as before.

MEMBERS OF THE CALUMET CLUB.

At a special meeting of the Directors of the Calumet Club held March 26th, 1884, for the purpose of revising By-Laws, the Committee on Rules, (Messrs. Cowles, Goodman and Pullman), proposed certain amendments, which, with modifications, were agreed to at said meeting, and were ordered posted in the Club House, to be submitted for the consideration of the members at a special meeting, to be held Monday, April 17th, 1884, at 8 P.M., and were recommended for adoption by the club.

The Board of Directors advise the following changes in the By-Laws, as desirable to be made, for the better convenience of management and more systematic arrangement of the Club business. The large number of the membership makes necessary some provision for efficient time to cast and count ballots at the annual election. The great increase in the accounting and financial business of the Club makes it advisable that the Directors should be more directly responsible for those departments. Some provision for non-resident membership seems to be generally desired by the members, and is in accordance with the custom in other Clubs. An increased amount of annual dues will be required to meet current expenses of the Club, and interest on bonds of the new Club house. With the completion of the new Club house, it is believed that membership in the Club will be more valuable, and the additional facilities and advantages afforded to members will be fully worth to them the larger amount of dues. For this reason, it also appears desirable to make some increase in the initiation fee, and the amendment is intended to make such gradual increase in proportion to membership as shall not prohibit the accession of desirable new members.

The amendments offered have been duly posted at the Club, and, for convenience of the members, we herewith submit the Articles and parts of Articles changed, as they would be if amended as proposed:

ARTICLE 1.

The Officers of the Club shall be a President, a 1st Vice President, a 2nd Vice President, a Secretary, a Treasurer, and a Board of Directors. The President and Vice Presidents shall be members of the Board of Directors. The President and Vice Presidents and eight other Directors shall be elected by ballot, deposited personally by regular members annually on the first Monday in May, between the hours of 4 and 9 P.M., and each Board of Directors shall appoint Tellers for such election of their successors, and the Tellers shall report the result of such election to the annual meeting, but in default of such action by the Directors, the election may take place at the annual meeting of the Club, as, also, the decision of the vote, if any, in such manner as may be ordered by resolution of such meeting. The Secretary and Treasurer shall be elected by the Board of Directors; any member of the Club, whether a Director or not, shall be eligible to the office of Secretary and Treasurer, both of which offices may be held by one person.

ARTICLE 2.

The Secretary shall keep the accounts and records of the Club in books belonging to it, and shall exhibit his account at the annual meeting of the Club. He shall exhibit the books at any time to any member of the Board of Directors upon reasonable request; and he may be removed at any time by the Board of Directors for any misconduct in the affairs of his office. He shall be the custodian of the seal of the Club. He shall be exempt from the payment of the annual dues.

The Treasurer shall receive, have charge of, and disburse, upon proper vouchers, the funds of the Club, under the direction of the Board of Directors, and he may be removed at any time, by the Board of Directors, for any misconduct in the affairs of his office, and shall give bonds for such amount as the Board of Directors may designate.

ARTICLE 4.

First paragraph to read as follows:

"The Board of Directors shall consist of eleven members—nine Directors, two Vice Presidents and eight additional members, and be elected by the President, the Vice Presidents, and of its membership, to be hereby named."

Remainder of Article 4 unchanged.

ARTICLE 6.

A gentleman shall become a regular member of the Club upon election by the Board of Directors, payment of the initiation fee, and a proportion of the semi-annual dues, corresponding to the unexpired portion of the current half-year, no notice
being taken of the fraction of a month. If the payment is not made within thirty days after notice of election shall have been sent, said election may be declared void by the Board of Directors. The names and residences of all persons proposed for membership, with the names of the members proposing and seconding them, shall be posted in the Club House for at least ten days before being voted upon by the Board of Directors. The proceedings of the Directors upon the question of any admission to membership shall be held strictly private and confidential.

Gentlemen not residing in or within fifty miles of Chicago, and not personally engaged in business in Chicago, may be elected non-resident members in the manner prescribed for regular members, but they shall only be required to pay one-half of the regular initiation fee, and one-half of the regular annual dues, and they shall not be allowed to vote. Any regular member may become a non-resident member upon removal from Club limits above stated, by vote of the Board of Directors, but no part of the initiation fee shall be returned. Non-resident members may become regular members by vote of the Board of Directors, and shall then pay one-half of the regular initiation fee whether they have at any previous time been regular members or not. Non-resident members removing from without to within Club limits, shall thereby cease to be non-resident members.

Officers of the Army and Navy of the United States may be elected in the manner prescribed for regular members, but they shall be exempt from the payment of the initiation fee and shall not be allowed to vote.

No candidate who shall have failed to be elected shall be again proposed within six months unless notice is given to each Director of intended reconsideration prior to the meeting at which such action is proposed to be had.

The privileges of honorary membership shall be conferred only by the unanimous vote of the members present at a meeting of the club.

**Article 7.**

The initiation fee shall be one hundred dollars, until the number of the regular membership is six hundred, then and thereafter one hundred and fifty dollars until the number of the regular membership is seven hundred, then and thereafter two hundred dollars until the number of the regular membership is eight hundred, then and thereafter two hundred and fifty dollars until the number of the regular membership is nine hundred, then and thereafter three hundred dollars, and the number of regular members of the Club shall be limited to one thousand. The annual dues shall be sixty dollars, payable semi-annually in advance, on the first day of May and the first day of November in each year.

When the dues, assessments, or other indebtedness of any member shall remain unpaid for the period of two months after proper notice sent, his membership may be declared forfeited by vote of the Board of Directors, and he shall thenceforth cease to be a member of the Club. A member thus forfeiting his membership may be re-elected within three months after such forfeiture by the two-thirds vote of the Board of Directors, upon payment of all arrears. The Board of Directors shall not have the power to remit dues. A member resigning, shall be held liable for the full payment of the semi-annual dues for the current half year. No one who shall forfeit his membership in the Club after the date of the adoption of these By-Laws, shall ever be admitted into the Club House under any circumstances, unless re-instated or re-elected. If any one who has forfeited his membership shall be re-elected a member, he shall pay the amount of his indebtedness at the time of forfeiture in addition to the initiation fee.

All interest in the property of the Club, of members resigning, or otherwise ceasing to be members, shall vest in the Club.

**Article 10.**

A member may invite a stranger to the use of the Club for one day only, by recording his name upon the Visitors' Book, but can have no more than one guest at a time. The invitation may be extended two weeks upon the written assent of a member of the Board of Directors, and may be repeated if the stranger has been absent from the city three months. The Board of Directors may revoke any such invitation at any time.

Residents in or within fifty miles of the city of Chicago, not members of the Club, shall not be admitted to the Club House, except by invitation of a member in a private room, or as hereinafter provided.

A member may introduce a visitor, for one day only, a resident in or within fifty miles of Chicago; such privilege, however, being limited to two visits of the person in the course of one year. The names and residences of all visitors, and the names of the members introducing them, must be recorded, and hosts are held responsible for their guests. A guest, alphabetically arranged, shall be kept in the office in which the names of the residents of the city and vicinity introduced by members shall be entered by the Superintendent, from the Visitors' Register, together with the date of each visit, and it shall be the duty of a member to see that the person he intends to introduce has not already visited the Club House the privileged number of times. Such invitation is not to be extended at the time of any Club reception.

Also, a new Article to read as follows:

"No game for wager of money shall be played in the Club House."

All of which is respectfully submitted,

H. WELLS, Secretary.

TO THE MEMBERS OF THE CALUMET CLUB.

In presenting this statement, the Board of Directors congratulate the members upon the favorable exhibit of the affairs of the Club for the year ending March 31, 1886.

Of the numerous additions to Club House advantages we may mention the Bowling Alley, built at a cost of $4,564, and formally opened Oct. 4th last, since which time the patronage has shown to what extent it is appreciated.

The Treasurer's report presents a reduction in the ordinary expenses of each department except that of Taxation and Insurance, the former being increased by an item of $375.70, which properly belonged to expenses of 1885, and all insurance risks being taken for a term of three years, according to the policy adopted by the present Board.

The additional purchase of Calumet Club bonds to the extent of $8,000 was made during the year, making a total of $14,000 in bonds now held by the Club, and there still remains a balance to credit of Sinking Fund of $1,159, to be invested in bonds whenever offered.

The annual Old Settlers' Reception, held May 15th of last year, was attended with the usual interest and satisfaction, and the Art Reception of Dec. 18th last will long be remembered as one of the few occasions when an opportunity is offered to witness a fine collection of paintings. Much credit is due those members and friends who contributed so generously from their private collections.

The assets show a net increase of $3,710.32 over those of last year, after having charged the cost of the Bowling Alley, $8,642, to expense account, and having reduced to actual value each item of assets in the total sum of $8,279.98, as shown in the assets statement.

Death has taken from our membership during the past year E. M. Crandall, H. A. Byram, G. W. Fuller, A. E. Barkay, H. M. Wilmer and Central Annus Stager, our first President, whose great interest in the welfare of the Calumet Club was constant from the time of the Club's organization until his removal by death.

Respectfully submitted,

C. J. BLAIR, Treasurer.

T. R. JENKINS, Secretary.

J. W. DOANE, President.

TO THE MEMBERS OF THE CALUMET CLUB:

The Board of Directors take pleasure in presenting you its Eighth Annual Report.

The Club has passed through a prosperous past, both financially and socially, and notwithstanding a material decrease in the receipts, the Treasurer's statement shows an independence, and all bills paid up to date.

Much credit is due the House Committee for the rigid economy exercised in the several departments of the Club's service, having reduced the expense by several thousand dollars and without lowering the character of the service of the Club. In the year just past the employees have been uniformed in a desirable manner. The saloon on the main floor has been rebuilt at a small cost, making it not only serviceable but attractive.

Calumet Club Bonds to the extent of $32,000 have been purchased since our last report, making a total of $86,000 now owned by the Club.

The principal social features of the year were the Old Settlers' Reunion of May 18, 1885, which, as usual, was very generally attended. The Art Reception held in the Assembly Room Dec 2nd, 3rd, 4th, and 5th, was an exhibition of paintings pronounced to be the finest collection ever shown in the city, and was visited by nearly four thousand members and invited friends. The Receptions given by the President and Directors January 25, and April 15th, Bowehailes, March 3, were largely attended by members and their ladies. It is the wish of the Board that these various receptions may become annual occurrences.

The purchase of Le Clear's famous portrait of General Grant by sixty members, places the Club in possession of a splendid likeness of the General, and one that has doubled in value since its purchase.

The Club is indebted to the members who have so kindly issued several valuable paintings which now adorn the walls of the Club House.

During the year death has deplored us of the following members: CHARLES W. WOODRUFF, Wm. ALDRICH, ROBERT A. STARRS, GEO. D. BENDISH, A. E. GOODRICH, CHARLES S. SHEPHERD, J. W. ODEN, GEO. C. CAMPBELL, JAMES L. FLETCHER, and CHARLES H. CURTIS.

In conclusion, your Board of Directors congratulate you upon the sound financial condition of the Club, upon the appreciation of the Club by its members, as shown by the daily attendance of members, and upon the good prospects for the future of the Calumet Club.

Respectfully submitted,

GEORGE E. OTIS,
T. R. JENKINS,
J. W. DOANE.

Dear Sir,

The Annual Meeting of the Calumet Club will be held at the Club House, Monday evening, May 4, next, at Eight o'clock.

The Polls, for the Election of Officers, will be open from Four until Nine o'clock P. M.

The following Amendment to the By-Laws will be submitted for your consideration—That Article I be amended to read as follows:

The Officers of the Club shall be a President, a First Vice-President, a Second Vice-President, and a Secretary, who shall be ex-officio members of the Board of Directors, a Treasurer, and seven regular Directors.

The President, Vice-Presidents, Secretary and Treasurer shall be elected annually, and shall hold their respective offices for one year and until their successors are elected and qualified.

The regular Directors elected in May, 1885, shall divide themselves into two classes: the first containing four members, whose term of office shall expire in one year; the second containing three members, whose term of office shall expire in two years; and at each annual election thereafter Directors shall be chosen to fill the vacancies caused by such expiring terms, whose terms of office shall be two years, and until their successors are elected and qualified.

The annual election of officers shall be held at the Club House on the first Monday in May in each year, between the hours of four and nine P. M.; and all officers shall be elected by ballot, the ballots to be deposited personally by regular members.

The Board of Directors shall appoint Tellers for each election, and the Tellers shall report the result of such election to the annual meeting; but in default of such action by the Directors the election may take place at the annual meeting of the Club, as also the decision of the votes, if any, in such manner as may be ordered by resolution of such meeting.

A plurality of the ballots cast shall elect.

The Board of Directors shall, previous to each annual election, appoint a nominating committee of five (5), whose duty it shall be to nominate and have posted on the Bulletin Board of the Club, two weeks before day of election, a list of candidates for such offices as are to be filled for the ensuing year; but any other member may nominate a different ticket or tickets, and have the same posted upon the Bulletin Board at any time within one week previous to the annual meeting; and no member shall be eligible to fill an office in the Club unless his name shall have been so posted on the Bulletin Board as a candidate for such office.

Respectfully,

T. R. JENKINS,
Secretary.

This was voted down.
Dear Sir:
The Annual Meeting of the Calumet Club will be held at the Club
House, Monday evening, May 8th, at Eight o'clock.
The House is to be open from 7 to 9 o'clock and the Nominating Committee
will be on hand for any requests for nominations.

The following amendment to the By-Laws will be submitted to your
committee:

Amendment A. To make the By-Laws read as follows:

The Officers of the Club shall be a President, a Vice-President, a Secretary,
and a Treasurer. The President, Vice-President, Secretary, and Treasurer
shall be elected by the General Meeting of the Club. The President shall
be elected by a majority vote of the Club. The Vice-President, Secretary,
and Treasurer shall be elected by the General Meeting of the Club.

The latter provision is designed to prevent the holding of any positions
of office by a person who has held office in the Club for a term of
more than one year. The President shall be elected by a majority vote of
the General Meeting of the Club. The Vice-President, Secretary, and
Treasurer shall be elected by the General Meeting of the Club.

Respectfully,

T. R. Jenkings
Secretary.
THE CALUMET CLUB.

Sixth Annual Meeting—Election of Directors.

The sixth annual meeting of the Calumet Club was held last evening, and the polls were open for the election of officers from 4 until 9 p.m. There were really but two tickets in the field, but the younger members put up various tickets, many merely in the way of a joke, swelling the number to a dozen or more. The attendance at the business meeting was very large and President Edson Keith occupied the chair.

The Board of Directors, in presenting the statements of the Secretary and Treasurer, stated that they showed the club to be out of debt and in a prosperous condition, with $8,686 assets in excess of one year ago. The present annual dues had been found sufficient to meet the increased expenses of the club, and enabled the use of initiation fees secured subsequent to Nov. 1, 1883, for the purchase of "The Calumet Club Building Association" bonds, of which the club now owns $3,500. The club had been in possession of its present house for a year, and its use by the members is best shown by their attendance, which from Oct. 1, 1883, to March 31, 1884, inclusive, had been 20,982, an average of 115 each day. Death had taken from the membership during the last year the following: Thomas Hoyne, N. C. Draper, Lyman Blair, J. Condit Smith, Theodore J. Schneider, and Henry M. How.

The report of the Treasurer showed the following:

Cash on hand, $5,735; initiation fees, $10,050; interest on loan, $1,324; other receipts, $6,416; bills receivable, $23,000; disbursements, $59,755; cash on hand, $1,110.

The Secretary's report embodied the house profit and loss account for the year, showing receipts as follows: Regular Members, $933; wines and liquors, $1,950; cigars, $1,100; cards, $323; billiards, $3,117. This report also contained a statement of the assets, amounting to $60,657; and the liabilities, amounting to $59,987; as well as the following:

Total membership April 1, 1883, 630; members admitted during the year, 121; total, 751; died during the year, 6; resigned, 21; dropped, 3; regular members March 31, 1884, 690; non-resident members, 27; army and navy, 1; honorary, 3; total, 721.

A few minor changes were made in the by-laws, and an attempt was made to rescind the rule providing that residents of the city could be visitors of the club twice in one year. A lively fight was made against this movement and it was finally defeated. It was claimed that the real object of it was to exclude Chicago visitors from the club altogether.

An adjournment was taken until the tellers were ready to report, and the result of the election was declared as follows:

President, J. W. Doane; First Vice-President, Alfred Cowles; Second Vice-President, H. J. Macfarland; Secretary, Thomas R. Jenkins; Treasurer, C. J. Blair; Directors, William B. Keep, R. B. Martin, William Thompson.

There was a tie vote on the other four Directors, and the meeting took the matter up and selected Pliny B. Smith, James Van Inwagen, John M. Clarke, and John B. Hughes.
