

Head Quarters  
US forces at  
White House Va

June 9. 1864

General.

I have your communication of this date in relation to the embarkation of organized troops from this place.

I have three regiments of 100 days Militia from Ohio. Shall I send them around by water, These regiments were landed here before your letter came to hand.

The Medical Director says = all the sick can be got away in 24 hours =.

Major Meutz of the Construction Corps tells me that the Railroad cannot all be taken up & the material removed & shipped before Sunday Morning June 13<sup>th</sup>

Very Respectfully Yours &c
