

Mr. Leach's Bay

Dec. 23 1858

Dear Sir

I will consent to the  
I find  
Lease of the house, to your  
at proper rate.  
Stamwood, the lease to be  
from me to him & the  
possession of the house to  
be delivered up to me at  
the expiration of the lease.  
Mr. Newman told me to  
day that he had offered  
Mr. Jones that he would  
sell the house under  
the judgment he had out of  
the land was paid by the  
I hope - I told him that

I would ask for further  
indignity of having the  
house in my charge so  
that he could have the  
keys. It is for this purpose  
I want the control of it -  
He did not say that he  
would give me the model  
you let send Mr. Jones's  
had already explained me  
by in October last &  
would again in January  
when there would be end  
of it so far as he was  
concerned - I do not wish  
to be hindered in any way  
by Mr. Jones & therefore  
~~anyone~~ But the case shall

be from me or else  
Mr. Corcoran must take  
his course -  
Mr. Corcoran shall & me  
on the subject ~~with~~ ~~out~~  
~~any~~ ~~without~~ ~~any~~ some weeks  
since & I write in relation  
what I have since stated as  
the case I would like of the  
property was put under  
my control & Mr. Jones saw my  
letter. You truly I am
