

Ms. 2. 04

Dear Kapon

There is a gentleman
named _____ in the Jay
Dept who shot a mail
in Iowa just previous to
your the Convention who says
that the delegates are chosen
then vote the resolution of
Instruction for Seneca was
voted down. The Convention
did not do a resolution relating
to the people proposed
Seneca but when it came
to assisting the delegates
to vote for Seneca, the
Convention refused to pass the
vote - How is this?
