EXECUTIVE DEPARTMENT:

Hartford, 23d. April 1863.

Hon. Edwin M. Stanton,
Secretary of War.

Sir,

The 6th. and 7th. Regiments Connecticut Vol-unteers now in the Department of the South, have served faithfully for twenty months without cessation and are willing to continue till their service properly expires.

I desire however to suggest whether, as a sanitary measure, the service would not be benefitted if they should be transferred to the North and other Regiments supply their places during the approaching second summer of their service.

I have no doubt that such change would save life and make the Regiments more effective.

With high regard, your obedient servant

W. B. Buckingham
Governor of Conn.

I believe however to suggest whether as a

approaching season of their service.
I have no doubt that such a change
would be of great benefit to the Regiments and
effective.
