General.

I have the honor to call your attention to the fact that no provision has been made for the troops of the 1: Corps in the occasion of the approaching honors to be paid to Veteran Soldiers.

This Division is composed of men, all of whom have served at least two years, many during the whole war, have fought in many battles, are representatives of all the armies and States of the Union, and are justly entitled to some consideration. I would

respectfully request that some
part may be assigned to the
troops of this organization on
